CONSTITUTION

Preamble

We, the members of Baptist churches in Cabarrus County and adjacent territories in Mecklenburg, Stanly, and Rowan Counties, state of North Carolina, do hereby propose to establish and maintain the order and rules of an Association in conformity to the following plan:

ARTICLE I - NAME

The name of this body is the Cabarrus Baptist Association.

ARTICLE II - PURPOSE

The object of this Association shall be to devise and recommend measures for increasing the knowledge and spiritual power of the churches, and for developing and directing their agencies, their resources and gifts in advancing the Redeemer's Kingdom throughout the whole world.

The means of accomplishing this shall be in harmony with the teaching of the New Testament.

ARTICLE III - MEMBERSHIP

Section 1. The Association shall be composed of the officers of the Association, and pastors and messengers from churches affiliated with it. Affiliated churches shall be those which adhere to the "Baptist Faith and Message", adopted in 1963, and those which cooperate with the Association, the NC Baptist State Convention and Southern Baptist Convention.

Section 2. The Association shall be the sole judge of its membership and may receive churches into its fellowship, or reject churches, according to its Constitution and Bylaws. Affiliated churches may also withdraw as they desire. For a body to be considered for membership in the Association, it must:

- (1) Be a church applying from a sister Association, coming in good standing, or;
- (2) A mission established by a current member church, or;
- (3) A body guided from its beginning by a cooperating relationship with the Missions Committee of the Association, or;
- (4) An established church desiring affiliation, giving satisfactory evidence of their belief in Southern Baptist faith and practice.

Section 3. Churches desiring to affiliate with this body shall apply and shall submit a written request to the Committee on Mutual Care at least 60 days before the Annual Meeting of the Association. If recommended unanimously by this committee and accepted by a majority vote of the Association, the church shall agree to come under the watchcare of the Association for a sufficient time to satisfy the Association of its intent to continue, through practice and attitude, a cooperating Baptist church. Upon the recommendation of the Committee on Mutual Care, acceptance with the fellowship of the Association shall be confirmed by vote of the Association. During this period, members of churches shall be entitled to all rights and privileges of the Association, except holding office and voting.

Section 4. The Association shall not maintain fellowship with any church that departs from Southern Baptist faith and practice and fails to maintain a spirit of cooperation with the Association. When the amount reaches \$5,000, the association can draw interest and use that money for mission projects in our area. At the present time the account balance is \$4,300 and we need \$700 to begin interest. Enclosed in the Book of Reports is an envelope for contributions to the Endowment Fund. After a prayer an offering will be taken.

Rural people are coming into the cities with no work skills and all types of problems are arising because of unemployment. In two years an increase of 750,000 inhabitants where there was nothing. Needs include training for new Christians, construction teams, play ground equipment needed, day care training needed, homemakers need classes in different skills, evangelism teams, sports teams. Revelations 3:8 - pray, give, and go.

26. At 8:40 Randy Wadford asked the officers of the association to come to the front and prayer of dedication was offered.

27. At 8:45 PM, Carrol Taylor adjourned the Fall Bi-Annual Meeting of the Cabarrus Baptist Association

Mutual Care Committee

The Mutual Care Committee of the Cabarrus Association has had a fairly busy year in 1995-96. We have been meeting with two churches throughout the year to consider recommendations concerning their requests to become a part of the association. These two churches are Pennsylvania Avenue and Northwest Baptist Church. The following two recommendations will be presented at the October Bi-Annual meeting.

We, the Mutual Care Committee of Cabarrus Baptist Association, recommend that Northwest Baptist Church of Concord, NC be brought under the watchcare of the Cabarrus Baptist Association as of October 28, 1996.

We, the Mutual Care Committee of Cabarrus Baptist Association, recommend that Pennsylvania Avenue Baptist Church be accepted into the Cabarrus Baptist Association as a full member of the association as of October 28, 1996.

It has been a privilege for our committee to work with these two great churches over the past months. We welcome them both into the fellowship of the Cabarrus Baptist Association.

Executive Committee Report

The Executive Committee is charged with the responsibility of overseeing all areas of work within the association. The committee has met each month throughout the year to receive reports from the various committees and our Director of Missions.

As a result of the faithfulness in attendance and prayers of the members of this committee, the direction of the association has held firm course in its objective to reach the lost for Christ and to minister to the needs of the body of the member churches.

The specific accomplishments of the various committees are highlighted in their various reports within this book. The Executive Committee supports each area of work.

It was with a measure of sadness to lose a member of our committee in mid-year, when Lynn Sasser moved to become Director of Missions in the Mt. Zion Association. He was replaced by Carrol Taylor, Vice Moderator, and will assume the position of moderator of the association.

Executive Committee brings a motion that the Association Bi-Annual meeting continue on a trial basis through 1997, meeting on April 28, 1997 and October 27, 1997.

Mike Steiner, chairman

Counseling Center Committee Report

In the fall of 1995, the Cabarrus Baptist Association began a ministry of professional Christian counseling to the members of our community, especially churches in our association. It began as the Cabarrus Baptist Association Counseling Center, now known at the Counseling Center at Concord.

Currently, the Counseling Center is open on Mondays only, from Noon - 6 PM, and staffed by Rev. Tom O'Neal and Dr. Laurel Link. Mrs. Kim Smith is their secretary. God has so blessed this ministry beyond our initial vision of employing just Rev. O'Neal at the center. The need for counseling appointments necessitated adding a second counselor, Dr. Laurel Link in the spring of this year.

Since its beginning some ten months ago, the center has ministered in the following ways:

- Rev. O'Neal and Dr. Laurel Link have conducted 224 1-hour counseling sessions.
- 21 churches from the association have referred people to the center.
- All but 17 of the sessions have been with members of CBA churches.

Rev. Darrell Coble, Chairman

Seminary Extension Committee

Two verses from the second chapter of 2 Timothy basically summarize the goals and objectives of our Seminary Extension Ministry:

"The things which you have heard from me in the presence of many witnesses, these entrust to faithful men, who will be able to teach others also. Study to present yourself approved to God as a workman who does not need to be ashamed, handling accurately the word of truth". 2 Timothy 2:2,5

We want to offer courses in the future that can be used by God to better equip those who desire to study to prepare themselves to be "laborers in the fields that are white for harvest". In order to offer the courses that you need most, we need your input. If you have any ideas or suggestions, re: specific courses, etc., we ask that you contact a member of the Seminary Extension Committee.

We are grateful to the Lord for blessing this ministry of our association again this year. Please pray that this ministry can be used more than ever before to prepare the members of our association to "be thoroughly equipped for every good work" (2 Timothy 3:17b).

C. F. Davis, chairman

Evangelism Committee Report

The Evangelism Committee focused on three (3) efforts during 1996. At our Bi-Annual meeting in April, we focused our efforts on the promotion of Promise Keepers' Rally at the Charlotte Motor Speedway in June. Our goal was 50% of our churches participating. Prior to the rally, 18 churches stated they would be sending men to the rally as attendees, workers or both. From the reports we have heard, God used the Promise Keepers' Rally to energize the spiritual lives of men all across our association.

Following the Promise Keepers' Rally, we began promoting the Billy Graham Crusade being held from September 26-September 29, 1996 at Ericson Stadium in Charlotte. Our goal was 80% of our churches participating. As of the writing of this report, 29 of our churches indicated planned participation on a church wide bases. The Evangelism Committee committed \$1,000 to the crusade effort.

The Evangelism Committee also discussed establishing an associational evangelism team comprised of volunteers from local churches. The team would be available to assist the churches with special evangelistic efforts. The committee will continue working towards establishing this team during the 1997 church year.

During 1997, the committee plans to promote the evangelism training resource, *People Sharing Jesus*. We ask that all of our churches prayerfully commit at least one person to serve on an evangelism team and to participation in *People Sharing Jesus* during the next church year.

Charlie Littlejohn, chairman

Missions Development Committee

The Missions Development Committee recommends to the messengers of the Cabarrus Baptist Association, that we purchase the property located at 117 Peachtree Ave. NW for the price of \$75,000. This property will be used to house the Baptist Sharing House Ministry and the Hispanic Mission.

The money to buy this property will be raised from individuals and churches wishing to contribute. The \$75,000 to be paid to West Cabarrus Church for the purchase on or before December 30, 1996 has been provided by an outside source. The association will raise funds to repay this loan as soon as possible.

The Missions Development Committee moves the purchase of this property at this time.

Associational Ministry Reports

Director of Missions Report 1996

A REJUVENATED VISION FOR THE 21ST CENTURY

It is a necessity that every association keep her priorities clearly defined and before the churches. Our purpose for being on mission together is spelled out in the following:

The Cabarrus Baptist Association exists for the purpose of working with and encouraging its member churches to fulfill the Great Commission of our Lord. The association will fulfill its purpose through local ministry and through cooperation with sister churches in joint mission efforts at home and around the world.

The association will seek to provide leadership, resources, training, ministry opportunities, and missions opportunities. We will further seek to provide encouragement to each church, its pastor, staff and members, so they may better fulfill their Christian calling and responsibility, according to the teachings of the New Testament.

The association is to encourage fellowship among its churches, members, pastors, and staff to develop a Christian unity that is needed to give a positive and powerful witness to the world around us.

One could condense the above mission statement with the phrase, "serving each other with Christ." That is our objective. To be servants of Christ committed to

- Evangelism
- Spiritual Growth
- Care-Giving Ministries
- Education and Discipleship
- Mission Partnerships

EVANGELISM NETWORK

This year several of our churches have experienced success in the area of evangelism. All of our churches were impacted by the Billy Graham Crusade and we will be following up in the next year by assisting new Christians in their personal growth.

It is my hope that in 1997 and beyond our association will place a greater emphasis on evangelism. We need to create within our churches a new evangelistic culture, where Christians find it easy and natural to share Christ with the unchurched in our communities. Evangelism must be part of all that we do as an association. In everything we do we must ask, "How can this introduce others to Jesus Christ?"

The following is a list of ways our association is presently aiding churches in evangelism.

- ◆ Raceway Ministries
- ◆ Puppet Ministry
- ◆ Sports Evangelism
- ◆ Sunday School Outreach
- ◆ Evangelism Teams (We hope to develop several teams in the coming year)

SPIRITUAL DEVELOPMENT

We grow Spiritually as we join together for special times of worship. Worship needs to be encouraged both privately and corporately. Our association is doing this through:

- ◆ The Bi-Annual Celebrations
- ◆ Ministers' Retreat
- ◆ General Board Meetings
- ◆ Development of a Prayer Ministry

CARE-GIVING MINISTRIES

The following are special care-giving ministries of the Cabarrus Baptist Association.

- ◆ The Sharing House Ministry
- ◆ The Counseling Center
- ◆ The Minister's Conference
- ◆ Visiting and Encouragement of Church Staff

EDUCATION LINK-UPS

Our association provides many opportunities for education. We are presently working to expand these to provide better training.

- ◆ Seminary Extension
- ◆ Sunday School Workshops
- ◆ Discipleship Training
- ◆ Literacy Workshops
- ◆ ~ Mission Education (Baptist Men & WMU)
- ◆ Stewardship Education

MISSION PARTNERSHIPS

The strength of our association for the past three years has been in the area of missions. The following is a list of all the partnerships we are presently involved in, at home and around the world.

- ◆ Hispanic Mission
- ◆ Korean Mission
- ◆ Multi-housing Ministries
- ◆ Hope Builders
- ◆ Disaster Relief and Recovery
- ◆ Globe Children Outreach
- ◆ South Africa Partnership

The Cabarrus Baptist Association is moving toward becoming a well balanced association with a high emphasis on Evangelism, Missions and Ministry. These are exciting days in which we both live and minister. They are also very challenging days for our churches. I believe that God is preparing us for the ushering in of His kingdom in the very near future. Therefore, we must be **“serving each other with Christ”** until He returns.

Church & Community Ministries Report

The work in the area of church & community ministries has been exciting and eventful. The dedication of volunteers has enabled our Association to see houses renovated, families fed and clothed, humanitarian aid distributed, Belarussian children and American families united, and the good news of Christ shared to people of all ages. Thanks to all the churches and individuals that have been an active source of light and hope to our community and world.

Here's what is happening presently in church and community ministries and how you can be involved...

◆**HOPE BUILDERS:** Churches in our Association have responded to the need of home renovations. “Hope Builders” is a way that we can provide necessary renovations for people that are unable to afford this expense. The following churches completed “Hope Builder” projects: Young Memorial, Southside, United Love, Blackwelder Park, McGill, North Kannapolis and Pitts.

◆**BELARUSSIAN CHILDREN'S MINISTRY:** This summer was the third time we have hosted children from Belarus. These children continue to change and challenge those that have contact with them. Next summer, we will be experiencing a new challenge. This ministry is growing to reach at-risk children from different countries. For the summer of

1997, we will be hosting children from Belarus and South Africa. This is great opportunity to provide a safe environment and health care for an at-risk child.

◆**SHARING HOUSE:** The need for food and clothes for individuals and families continues to grow. The Concord and Kannapolis sites are continuously in need of food and volunteers.

◆**RACEWAY MINISTRY:** This has been a great year for the ministry at Charlotte Motor Speedway. The events include a concert, worship, breakfast (for the Highway Patrol, Emergency Medical personnel and fans), and Kids Raceway Camp. The increase of volunteers has enabled this ministry to grow each race.

◆**PUPPET MINISTRY:** The Associational puppet team has participated in various community ministries. This youth puppet and drama team has been active in sharing the message of Christ to people of all ages in our community.

◆**VOLUNTEER DATABASE:** A database has been started for all CBA volunteers. This is simply a way that the Association can keep you up-dated of mission opportunities that interest you. Please fill out a "Gifts Inventory" form so you can be included in this database.

Discipleship Training Report

"Imitate Me, just as I also imitate Christ" (I Corinthians 11:1)

The Apostle Paul understood that the best pattern for spiritual growth is leaning from the example of a more mature believer. He learned this principle from Jesus, who poured his life into twelve men, and they in turn learned from his example.

I believe this principle not only works in one on one relationships but also in relationships between churches. I hope that none of us are so proud, that we cannot learn from each other. This year, as Association Discipleship Supporter, I have had the opportunity to

talk with several churches about what they are doing in Discipleship and I have learned a great deal about how to do discipleship in my own church.

This year, I would like to encourage our churches to learn from each other different ways to discipleship. I understand that every church is different and what works in one church may not work in another, but we can learn principles and we can obtain some new ideas. As we do, every church involved will be strengthened and we will have a greater fellowship.

Steve Davis
Association Discipleship Supporter

Woman's Missionary Union Report

"Risk the Journey" has been the theme for WMU for 1995-1996. Many people come to my mind when I think of "risk takers". Those include Sarah and Abraham, Lottie Moon, and WMU members of Cabarrus Association as we entered a year of change. Missions was a risk this year. As WMU organizations, we did not know whether we would risk ruining something that we already had, or if WMU organizations would even want to change. I have found that the WMU organizations have been very receptive to the change. A record number of church WMU leadership attended conferences for the appropriate age levels. WMU organizations in churches of Cabarrus Association have "risk the journey".

Baptist Men's Report

We have been blessed with men that have given their time and talents in response to mission requests. Below are listed highlights of activities supported by Baptist Men.

- Raceway Ministry, Charlotte Motor Speedway, May & October
- Hope Builders Projects, Spring & Summer
- Region 6 Family Happening, March
- Disaster Relief & Recovery
 - Red Cross County Disaster Drills
 - Hurricane Bertha - Topsail Island
 - Hurricane Fran - Wilmington & Kinston
 - Cabarrus Association Disaster Recovery Trailer
- RA/Challenger Activities - (see R.A. Report)
- Salvation Army Bell Ringing, Christmas Season

Thanks to all who have made these activities possible and a major thanks to Joyce Kluttz for keeping our records in order.

Royal Ambassadors (RA) Annual Report

What a joyful learning experience for me this year in Association RA's. I learned so much in one year and I am very thankful for everything that happened this year.

RA/Challenger Basketball: We had four teams compete in the Young Challengers division (7th-9th). The tournament winner was Jackson Park Baptist Church. Four teams also competed in the Older Challengers division (10th-12th). The tournament winner was Blackwelder Park Baptist Church. Thank you to McGill Avenue, Jackson Park and Providence for the use of their gyms.

Pinewood Derby/Mission Fair: In March we had the Lad/Crusader Pinewood Derby at North Kannapolis. Thank you for hosting this event.

RA/Challenger Track Meet: The track meet was held in April at Concord High School. Four churches competed in Lad events, Crusader events and Challenger events. The overall winner was McGill Avenue. Thank you to all who participated. I especially would like to thank Nick Judkins of North Kannapolis for helping me with this event.

It is my hope and prayer that the new year will be a great year in our RA/Challenger program. I am excited about the new opportunities for the association. If you would like to help with association RA's, please call the office (786-9171) and let them know.

Media Library Report

This is an exciting time for church media libraries. New products were out this summer updating Master Library System software, available through the Sunday School Board, and a new book, "A Classification System for Church Media Libraries". This book should make classification much easier and less time consuming. Coming in October is a new teaching video, *Preparing Media for Circulation* and a new concept book, "The Church Media Library Ministry". These new products will be of great value to established libraries and to new ones.

A welcome change has come in the form of a name change for TACMO (The Associational Church Media Library Organization). We are now known as The Associational Media Library Ministry. Our main focus and purpose in church library work is ministering to people's needs through media. We hope our new name will help to convey this message even better.

We've been busy in the first several months with our regular meetings in April at Young Memorial and also in July at the Baptist Building. We held Key Leadership for library staffs on September 9. We had seven to attend our State Media/Library Conference at Caswell in May and two attended the Church Leadership Conference at Ridgecrest in August.

Our officers for 1996-97 are Myra McGarrell, Association M/L Director; Judy Furr, Associate Director; Carol Cooper, Program Chairman; and Vicky Morris, Secretary.

A few highlights planned for 1997 include a banquet in January focusing on our theme for 1996-97, "Ministering to Children". A consultant with the Sunday School Board Media Library Program will be coming in April. Beth Andrews from Arlington, Texas, will teach three conferences and we're very excited to have her share her knowledge in Media Library work with us, as well as, her love and enthusiasm in serving the Lord.

Baptist College/University Report

Since 1834 North Carolina Baptist Colleges and Universities have been privileged to have many splendid presidents. Two colleges, Mars Hill and Chowan, have new presidents.

Dr. A. Max Lennon has been named new president of Mars Hill College effective March 1, 1996. Both he and Mrs. Lennon (Ruth Ann) are graduates of Mars Hill. Dr. Lennon earned a B.S. and a Ph.D. at North Carolina State University. He comes to Mars Hill from the presidency of Eastern Foods, Inc. in Atlanta, Georgia. He is on the board of directors of numerous corporations and foundations, among them First Union and Duke Power.

Dr. Stanley G. Lott moved to North Carolina in July to become president of Chowan College. He comes from Louisiana College, a Baptist school, where he was vice-president for academic affairs for 15 years. He and his wife (Johnnye) were long-time, active members of Emmanuel Baptist Church, near Louisiana College. An ordained Baptist minister, he has held two pastorates in Louisiana. Dr. Lott also earned two doctorates, one in systematic theology from New Orleans Baptist Theological Seminary, and the other in higher education administration from the University of Georgia.

We welcome Dr. Lennon and Dr. Lott, along with their families, to Mars Hill and Chowan College and to North Carolina.

Baptist Children's Homes of North Carolina

Baptist Children's Homes of North Carolina includes four residential campuses, six emergency care cottages, two homes for behaviorally troubled girls, a maternity home, a home for teenage mothers and their babies, therapeutic camping and model day care. More than 1,400 children and their families find help in troubled times through the Baptist Children's Homes of North Carolina.

During the past year Baptist Children's Homes has received almost \$1.5 million through the Cooperative Program, and \$663,000 through the Thanksgiving Offering. Total church gifts of almost \$3 million comprised 26.2 percent of BCH operating revenue.

Hundreds of children come to Baptist Children's Homes each year and find the care and comfort they need to grow up in a safe and loving environment.

Foreign Mission Board Highlights

As in all past years, our Lord has abundantly blessed the work of Foreign Missions through countless ways. We wish to thank all Southern Baptist for their roles which undergird the FMB. Without the concerted, cooperative effort of all Southern Baptist churches, the work and mission of the FMB would be only a shadow of its present position. The following annual growth levels reflect the combined reports from all foreign mission points as of the start of this year.

- ☐ A record number of newly constituted churches: 2,612
- ☐ Total number of countries where missionaries reside: 131
- ☐ Total number of baptisms overseas: 287,806
- ☐ Number of new people groups touched by the gospel: 41
- ☐ Baptisms among least-reached peoples: 6,548
- ☐ Total number of missionaries: 4,129

The Sunday School Board Report 1996

Each year the Baptist Sunday School Board reaches out to make a difference in the lives of people and churches in the name of Jesus Christ. The desire of the Baptist Sunday School Board is to lift up God's Word. Through their resources and services they assist churches in reaching people for Christ and helping them grow in their faith. They provide tools that equip individuals for evangelism, ministry and service. This is accomplished through a wide range of items available including videos, books, monthly magazines and Sunday School materials.

Renovation of existing Baptist Book Stores and the opening of new ones has greatly increased the number of people reached with literature and other items.

North Carolina Baptist Foundation Report for 1996

The mission of the North Carolina Baptist Foundation has been to assist the Convention and its institutions and agencies in generating endowment to enhance their permanent financial support. The Baptist Foundation is committed to assisting individual church members through creative stewardship methods to provide permanent financial support.

As of December 31, 1995, the Foundation held \$55,608,452 under management. In 1995 \$3,144,471 was distributed to Baptist work and \$1,125,383 was distributed to individuals for a total distribution of \$4,269,854.

Home Mission Board Annual Report

The Home Mission Board is a missionary-sending agency of the Southern Baptist Convention. With national offices in the Atlanta, Georgia area, the HMB's purpose is to serve Southern Baptists by assisting churches to proclaim the gospel of Jesus Christ, start and grow New Testament congregations, and minister to people in the name of Christ.

As of December 31, 1995, there were 4,857 missions personnel serving in the United States, the Caribbean, Guam, American Samoa, and Canada. The HMB also has endorsed more than 2,400 chaplains who are serving in health care agencies, institutions, businesses, the military, and pastoral-care roles. Nearly 2,300 Mission Service Corps volunteers are serving on home mission fields. During the year there were 1,458 church starts, the second highest number in 10 years. Southern Baptist churches baptized 393,811 people in 1995, an increase of nearly 15,000 over 1994.

Approximately half of the HMB's support comes from the annual Annie Armstrong Easter Offering for Home Missions. In 1995, gifts to the offering totaled \$38,908,339, the largest in HMB history. One hundred percent of the offering goes to support the work of home missionaries in the field.

Baptist Retirement Homes of North Carolina, Inc.

The continuing goal of Baptist Retirement Homes is to provide more and better services for Older Adults. During 1996 several developments have moved us toward this goal.

Several new staff members have been added to help provide the kind of total care which residents need and deserve. Early in the year, renovation of the Hamilton Baptist Home was completed providing a more attractive and comfortable place for residents in that facility.

Rickman Nursing Center in Asheville now has the Cecil and Gertrude Young Solarium which will provide room for the small group program for residents with dementia.

At Brookridge, renovated space in the Assisted Living section was named "Stokes Court" and will house the new Assisted Independent Living Unit.

Taylor House, in Albemarle, now has a new passenger van which will help residents as they attend church, keep appointments, go shopping and participate in social/recreational events.

Baptist Retirement Homes has provided assistance in the planning for Cliffwood, a new continuing care retirement community being built in Fayetteville and the project is being led by two area churches.

The James M. Hayes Society has been formed to recognize and thank those persons who remember the Baptist Retirement Homes in their estate planning.

The trustees and staff are grateful to North Carolina Baptists for helping us to make life for Older Adults....**The Best of Times!**

The Biblical Recorder

We get so much negative information through the media each day, it is refreshing to have a Baptist newspaper that gives us the whole story. Through the *Biblical Recorder* you will get both sides of an issue, the positive and the negative.

In the 163 years of state Baptist papers, the *Biblical Recorder* has never been more needed than now for people to have the truth. "An informed Baptist is a better Baptist; an uninformed Baptist may be an uninvolved or disruptive Baptist."

The paper focuses more and more attention on North Carolina Baptists with news, features and inspirational articles which will encourage individuals and churches in their witness and ministry.

Christian Action League of NC Annual Report

In a recent survey released by the Family Research Council, 66% of those polled said that our country was headed down "the wrong track". When asked whether the nation's wrong direction could be attributed to the lack of jobs and economic health or a decline in moral values and family breakdown, over 60% indicated the latter. We, at the Christian Action League, agree that our state and nation need a restoration of biblical, moral and family values. In 1996, we were honored to assist communities in their battles for civic and moral righteousness and to promote laws in the General Assembly that have helped to restore family values to the State of North Carolina.

We are grateful to God for the prayer and financial support that the League receives from the churches of your association that allow us to be on the front lines in this spiritual warfare.

Committee on Evangelism

As we move ever closer to the year 2000 with the dream of sharing Jesus Christ with every person in America and around the world, the pressing need of our time is to transform the multitudes in our pews into a sensitive army of caring witnesses for Christ.

Your Evangelism Committee has gladly accepted the task to lead our association to fulfill its' responsibility toward this worthy goal as we prepare for CELEBRATE JESUS 2000.

On October 18, we conducted our first ONE-DAY WITNESSING WORKSHOP to train our people to be an effective witness for our Lord. Our goal is to train at least 200 of our people who will be available to come to your churches during a revival or other evangelistic outreach and seek to win the lost for our Lord. Just imagine the spiritual impact! Not only will this effort have upon our association as we help churches in their outreach, but the scores who will come to know Jesus as Savior and Lord.

We will be having more of these workshops where your people will find the inspiration, knowledge, and confidence necessary to successfully share Jesus.

The dream of sharing the Gospel with everyone by the year 2000 is challenging but not impossible. We live in the midst of hurting people who desperately need to know Jesus Christ as Lord and Savior. May we allow God to encourage and equip Cabarrus Baptists to share Jesus Christ in a loving nonthreatening way where they live, work, and play, that all may have an opportunity to say Yes, to the claims of Christ.

1998 will be a year of PRAYER. We are planning a Prayer Walk through every neighborhood in the Cabarrus Association. Churches will be given the opportunity to be assigned certain areas during a given date and time, walking slowly down the assigned streets, praying for the people in each house. In some areas, it may be better to drive rather than walk.

1999 will be a year of PROCLAMATION. This will include simultaneous revivals, area crusades, and other special evangelistic events.

2000 will be a year of PRESERVATION. This will consist of saturation and proclamation follow-up; baptism and meaningful membership; and discipleship.

Let's get started. "Be strong and of good courage, and do it: fear not, nor be dismayed, for the Lord God, even my God, will be with thee; He will not fail thee, nor forsake thee, until thou hast finished all the work." 1 Chron. 28:20.

Coy Privette, Chairman

Missions Development Committee

The Missions Development Committee was busy during the year monitoring existing ministries and starting new mission efforts where possible.

New property was purchased for The Baptist Sharing House and the First International Church (previously Hispanic Mission, Iglesia Bautista Solo Christo Salva). The cost of the property was \$75,000. As of September 1997, \$26,489.54 has been paid on the loan. With voluntary assistance the new facility was renovated in late December and was operational in early January 1997.

The Korean Mission Church at First Concord continued to progress during the year under the leadership of Reverend Cho. Reverend Cho goes to seminary while still pastoring his church.

Reverend Cirilo Sanchez resigned as pastor of the Hispanic Mission. Jonas Perez has taken his place

as interim pastor and through the grace of God has done a great job rebuilding the membership of this church. The name has been changed to The First International Church to facilitate for the many different nationalities that are now involved with that ministry.

The Baptist Men of the Cabarrus Baptist Association assisted Reverend Jere King in building a house for his retirement.

The Parkwood Church Multihousing Ministries under the leadership of Jonas Perez has continued to grow by the renting of an apartment for this ministry. Jonas is working with children and adults in Bible Studies.

A team of volunteers participated in the South Africa Partnership in February 1997. Some of the team assisted the local churches with training in evangelism and preached revival type services while others helped in building basketball courts and making repairs on some of the buildings.

In November 1996 the Cabarrus Baptist Association assisted a team of eleven men (pastors and laymen) in a two week preaching effort in South India.

The Race-Way Ministry was very effective in both the fall and spring events.

The Global Children's Outreach was extended to 10 people from Belarus and 4 people from South Africa. This proved to be a great success. Children from other countries are being considered for the future.

The decision was made for Cabarrus Baptist Association to form a partnership with Shiloh Baptist Church that is located outside of Johannesburg, South Africa. Three groups of volunteers will be going to South Africa in February 1998, and some of the team will be assisting Shiloh Baptist in ministries.

The Counseling Center continues to grow. We thank God for Doctors Laurel Link and Tom O'Neil for their participation in this worthwhile ministry.

The Cabarrus Baptist Association has recommended every church adopt a Southern Baptist Missionary. Mrs. Shelby Mauney has been promoting this program to the churches.

Work will be beginning soon to study areas within Cabarrus County where new church starts will be recommended. The Missions Development Committee will be asking pastors and lay-people who are interested in this type work to serve on a committee to study this subject.

The Missions Development Committee covets your prayers as we continue to encourage churches and individuals in doing active mission work whether it be local or overseas.

Mutual Care Committee

The committee met with Rev. Steve Sexton and members of Cornerstone Baptist Church to review the request of Cornerstone to become participating members in the Cabarrus Baptist Association. **Rev. Rick Felts made a motion that Cornerstone Baptist would be brought under the watchcare of Cabarrus Baptist Association during the October Biannual Meeting at Central Baptist Church.**

On September 9, 1997 the committee met to review a request from Victory Baptist Church concerning property used by the church but deeded to Cabarrus Baptist Association. More space is needed for additional ministries and programs of the church. **Rev. Counseling Center Report

The Counseling Center of Concord has made great strides since its' beginning in the fall of 1995. It has grown from a half-day schedule, with a temporary director, to a full day schedule on Monday and a permanent director, Dr. Laurel Link. Also staffing the Counseling Center is Mrs. Sarah Swink, administrative assistant.

Besides carrying a full schedule of clients, Dr. Link has been proactive in promoting the Center to the community. Along with Laurel's efforts, the Counseling Center Committee has been "brainstorming" in an attempt to promote the Center to the community.

It must be remembered that the Counseling Center of Concord is a MINISTRY of Cabarrus Baptist Association. Not only are we meeting the needs of CBA members, but also the entire community - Christians and non-Christians, regardless of their financial condition. The Center is committed to helping individuals from every walk of life.

Church Development 1996-1997

Much has been done in the area of training in the Cabarrus Baptist Association during the past year.

- (1) October, 1996 - Sunday School Director Banquet and Training was held at the Cabarrus Baptist Association office. The Sunday School Leadership Training Team assisted as we focused on the purposes of the Sunday School as it related to the role and responsibilities of the director.
- (2) Individual churches have asked for help with training their Sunday School workers. I assisted **Brookdale** in January, 1997, with training for their Children's Sunday School workers. I also consulted with **Parkwood** Children's Committee as they seek to do a better job in ministry in all areas of children's ministry.
- (3) VBS Conference Leaders from our association spent time at a state training event in March in preparation for our own training in early May.
- (4) VBS Training for the association churches was held at First Kannapolis, in the use of SBC curriculum. Alternative curriculum, "Anytime, Anywhere" and "Adventure Zone" was also reviewed.
- (5) Two members of the Sunday School Leadership Team participated in a statewide training event in Cary in April.
- (6) Children and youth from Blackwelder Park, Broadus Memorial, Coldwater, Glorieta and Parkwood participated in both Association Bible Drill and State Bible Drill.
- (7) Final event for the year was the **Fall Training Extravaganza** held on September 15, 16 at First Baptist Concord. Twenty eight churches in the association participated as well as thirteen other churches from the surrounding area. Although we ran out of registration cards, we feel confident in reporting a total attendance of 600 for the two-night event. My sincere thanks to many of you who worked diligently to make this an effective training event.
*** The Association Council has set September, 1999 for the next Fall Training Extravaganza. ***

It is with gratitude to God and sincere thanks to you that we end the 1996/97 year. If we are to be on mission around the world, then training must begin at home! I feel that you believe this very strongly and look forward to many more opportunities of working together with you in **"Preparing to Serve"**.

Woman's Missionary Union

"Hand in Hand" together with God and with each other, has truly been our theme this past year. As I have walked, hand in hand with God, my own spiritual growth has been challenged. God has encouraged me to pray more and to seek His guidance in a new and greater way.

Many activities and events have taken place this past year that have involved women, teens, and children to work, "Hand in Hand" with each other, with God and to extend a hand to those in need.

Women on Mission met for Baptist Women's Day of Prayer and celebrated the "Joy of the Lord". They contributed 400 pairs of gloves to the state women's correctional facility and held a Prayer Retreat with other 80 in attendance. The women collected money for Bibles for South Africa and have done volunteer work at the Baptist Sharing House.

Acteens participated in a Share-a-bration to learn about the Sharing House. They held a Prayer Retreat in February and went to Virginia Beach on an Activators Mission Trip in June.

Girls in Action had several skate nights for fellowship and to raise money for Camp Mundo Vista and the Sharing House. There were two sleep overs and a volunteer leader appreciation luncheon.

We have several new association WMU Leadership Team members this year and they have been to training sessions and are ready to work for the Lord and the association in their respective positions. We are excited about what has taken place over the year and ready to start the new year. We thank the association for support and praise God for His blessings as we work to do missions in the association and the local church.

Ann Carter,
Association WMU Director

Royal Ambassadors

What a great year in R.A.'s. We had several churches participate in basketball in January and February. Our Pinewood Derby was held in March at North Kannapolis Baptist Church. We had over 120 in attendance. Several of our boys were able to participate in the State Congress at the Baptist Children's Home.

This fall we held a training for R.A. leaders at the Association Training Extravaganza. We had 12 attending training. I would like to thank Margene Troutman for leading this workshop.

We will begin having quarterly meetings to plan our future activities. The first one was September 21, 1997 and the next one will be January 13, 1998. The Pinewood Derby/Mission Fair is to be held on March 14 at Oak Ridge Baptist Church. May 2, 1998 will be our Lad-Crusader Track Meet at Concord High. I am looking forward to a great year in R.A.'s.

Benny Furr,
Association R.A. Director

Media Library Report

The past year has been a busy year for many of our church libraries. Three have computerized their libraries with two more planning to do so in the near future. This will greatly help in saving time on technical processing and allow more time to minister to people's needs and support all church organizations. The church media library is unique in being able to work with all aspects of church ministry.

We have had many training opportunities including a workshop on the Master Library System (computer software for church libraries) and a conference led by Beth Andrews from Arlington, Texas, teaching the book, "Church Media/Library Ministry". At our Fall Training Extravaganza, we offered three classes including "Promotion Plus", taught by author, Bo Prosser. We also provided training at each regular meeting throughout the year.

Two of our officers, Judy Furr and Vickey Morris, led conferences at our state meeting at Caraway in April, 1997. Vickey has also led promotion workshops for the Sandhills Association and Rowan Association this past year.

Our Associational Media/Library Organization was one of thirteen recognized at the National Seminar, East in Nashville, Tennessee in March. Our association library received an Achievement Award for work accomplished during 1995-96. We received a plaque and two gift certificates to be used at Ridgecrest or the National Seminar.

Respectfully submitted,
Myra McGarrell, Association Media/Library Director

Church & Community Ministry Report

Here's a glimpse of what has happened this year in the area of church and community ministries...

Baptist Sharing House

The Baptist Sharing House continues to see an increase in clients. Unemployment or low income is the primary need for assistance.

Throughout the year several special drives have been promoted to meet specific needs at the Sharing House. Some of these include peanut butter/crackers, socks, and toys.

Thanks to all the volunteers that make the Sharing House Ministry possible.

Raceway Ministries

Raceway Ministries at Charlotte Motor Speedway continues to be successful. Attendance for the concert and worship service remains strong. The participation of multiple volunteers, including the Disaster Relief team has enabled us to provide breakfast for approximately 300 people before the worship service.

Global Children Outreach

We experienced a new twist to the Belarussian Children's Ministry during the Summer 1997. Not only did we host Belarussians, but also children from South Africa. Responding to the belief that there are children at-risk all over our world, we are committed to expanding this ministry by adding countries. Venezuela will be the addition for the summer of 1998. Please plan to participate in this life changing ministry.

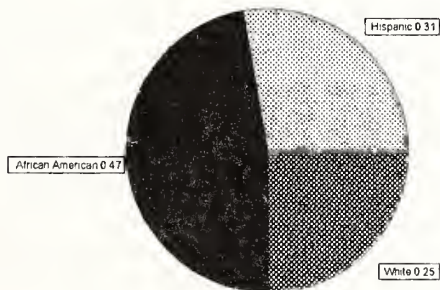

Puppet Ministry

The Associational puppet team, "Invisible Creations", continues to grow in numbers as well as places of service. This group of teenagers and adults have ministered in a variety of mission settings and shared the Gospel of Jesus Christ through creative means.

1997 DIRECTOR OF MISSIONS REPORT

The Cabarrus Baptist Association has been working on the development of a new organizational model. This model attempts to broaden the participation of leadership within the association. The model is based on the Scripture passage in Ezekiel 1:1-ff. The image is that of a wheel within a wheel. Ezekiel depicted the image moving as the Spirit of the Lord moved. "Wherever the spirit would go, they would go, without turning as they went {Ezekiel 1:12}."

The model is based on a group of circles within each other. The circles represent different levels of participation in the organization. The outer circle represents the seventy churches of the Cabarrus Baptist Association. The churches are serving together with Christ to share the good news with our world. As the Spirit of God moves in and through our churches the people of the Cabarrus Baptist Association join God at the places He is at work.

The second level of the model is made up of the messengers to our General Board and the Biannual Meeting. It is at these meetings that information is shared, partnerships among the churches are made and decisions are made concerning the work of the association.

The third level of the model includes the WMU and the Baptist Men. These two groups are involved in the total work of the Cabarrus Baptist Association. The men and women of our churches carry on the many ministries of our association.

The fourth circle is composed of the ministry teams of the association. These ministry teams are the driving force for the ministry of the association. These groups are involved in the hands on work of the different ministries of our association. Our ministry teams are composed of anywhere from three persons and up in number. It is their responsibility to see that the work is done.

The fifth level of the model is fashioned around five priorities of our association. These priorities are Evangelism Networks, Spiritual Development, Care-giving Ministries, Educational Link-ups, and Mission Partnerships. Our association is looking toward the next century with new a vision and new direction. We are attempting to discover where God is working in these areas. Then we want to join Him in His work. These five areas or priorities help to give balance to our ministry. They will also aid us in communicating better in the service of our Lord.

The sixth circle is collection of person called the Associational Ministry Council. This group is made up of the Council Coordinator from each of the five priority areas plus six other persons elected to serve long side of them. The WMU director and the Baptist Men Director will also serve with this group. It will be the responsibility of this group to meet monthly to share information, made decisions concerning day to day operations and to provide an evaluation of the ministry of the association. The Associational Ministry Council will act very much like our Executive Committee does now. The seventh and final level represents our Lord Jesus Christ. Just as Christ should be at the center of our individual lives, we should keep Him at the center of our associational organization structure. Christ must be in control of all that we do. It is Christ, whom we serve, not ourselves or others. As you think of this model, keep in mind that "Jesus is Lord" and He must be Lord of all, especially our association.

The Cabarrus Baptist Association is enter a new era and a new frontier. We must discover where God is working in the Postmodern World in which we live and join Him in ministry for the building of His Kingdom.

Baptist Children's Homes of NC

At the sound of a car in his grandmother's carport, Jason looked out the window, and was shocked to see his mother striding toward the house. She was angry, and Jason shouted, "Lordy, it's mamma," as he ran to the back bedroom to call the police.

Just 12 years old, Jason had lived in seven foster care homes and with his grandmother on and off since his father died seven years earlier. His mother's addictions cost her custody of her only son. For whatever reason, tonight she wanted him back. Out of control, Jason's mother broke open the door and kicked grandmother to the floor. She grabbed her by the hair and "slung me around by the hair of my head," grandmother says, remembering.

Mother shouted for Jason to come out of hiding, and threatened to kill his grandmother. She grabbed a bottle, broke it and held the jagged edge to grandma's throat, shouting that she would kill her if Jason didn't come out of hiding. Just then Jason's aunt arrived from a house next door, and held his mother's arms until the police arrived.

Six years later, grandmother beams with pride for Jason, who overcame that tragic, traumatic start in life. Jason garnered academic, athletic and leadership honors in a steady stream at Tuscola High School in Haywood County and is starting college in August 1997 as a freshman at The Citadel.

At four residential campuses, six emergency care cottages, two homes for behaviorally troubled girls, a maternity home, a home for teenage mothers and their babies, therapeutic camping and model day care, 1,398 young people found help in troubled times last year.

During the past year BCH received \$1.5 million through the Cooperative Program, and \$724,000 through the Thanksgiving Offering. Total church gifts of \$3.05 million comprised 25 percent of the BCH budget.

A new video, "Families Under Construction", is available to promote the 1997 Thanksgiving offering which has a statewide goal of \$750,000, the largest ever.

Baptist Retirement Homes of North Carolina

Our February offering this year was the strongest yet. Gifts through the Cooperative Program have come to us above the norm. Thank you for making it possible for us to make this year "The Best of Times" for so many North Carolina Baptist older adults.

New Places - Cliffwood Retirement Community, Fayetteville - Opening in early 1999, is designed to meet the needs of middle income older adults. It will offer residents a continuum of care ranging from Independent Living and Assisted Living options to nursing care.

Concord - Design work for a new continuing care retirement community in this area has begun with ground breaking expected in the spring of 1998.

New Programs - The Solarium Programs for older adults suffering from dementia related disorders are well established in the Prince Nursing Center at Brookridge Retirement Community and in the Rickman Nursing Center. A new home and community based program offering respite care to older adults in the Asheville area began this year. This service provides safe, structured, creative enrichment for seniors diagnosed with dementia-related disorders such as Alzheimer's disease, and provides relief for families giving in-home care to these dear ones.

THE BIBLICAL RECORDER

These are "watershed years" for Baptists! Analysts almost daily remind us that the radical changes in society and the erosion of so much that has been precious to us in our religious life is creating a time of major transition as we Baptists and other church groups face the 21st century.

The *Biblical Recorder* tries to tell the whole story with a focus on the many positive things people are doing in their churches and world missions, along with the crucial issues which cannot be concealed and ignored if we honor our heritage from yesterday and fulfill our mission for tomorrow.

People are reading less than any time in recent history at the very time there is an increased number of publications and periodicals. It is true of secular publications, it is true of wholesome books from respected libraries, it is true of religious publications. We live in an electronic age, what some have described as an "information glut".

An informed Baptist is a better Baptist; no democracy, including our local churches, can survive long without an informed, involved constituency which makes decisions based upon accurate information from reliable sources.

Christian Action League of North Carolina

Christian Values:

It was the pleasure of the Christian Action League to sponsor the Second Annual Christian Heritage Week in North Carolina, March 16-22. The League encouraged schools, churches and communities to rededicate, commemorate and learn about the Christian heritage and history of our nation.

Lobbied for and promoted SB 442, The American History Act. A bill that would allow public school teachers to read or display historical documents even though they contain religious references. The bill passed the legislature and is now a law.

The League continued a project in 1997 to distribute copies of the Ten Commandments throughout North Carolina. To date, over 10,000 copies of these prints have been distributed.

Promoted Sanctity of Human Life Sunday.

According To Dr. James Kennedy of Coral Ridge Ministries, approximately 6 million crimes are committed in the United States annually. America spends \$39 billion a year on police protection, \$29 billion on prisons and \$10 billion on legal and judicial costs for criminal cases; drunk drivers cost us \$110 billion a year, and drug abuse cost \$40 billion. With these alarming statistics, the Christian Action League is constantly working to restore moral and biblical principles to our state and nation through the legislative process and the public education system; and by assisting communities in our state with local battles for civic and moral righteousness.

International Mission Board - SBC (Formerly - Foreign Mission Board)

Leading Southern Baptist to be on mission with God to bring all the peoples of the world to saving faith in Jesus Christ.

For the third consecutive year, baptisms overseas have exceeded a quarter of a million (283,674 in 1996). Membership stands at 4,100,923 in a record 39,876 churches.

Few of the 6,322 unreached people groups have heard the good news of Jesus Christ in their own cultural context. But in 1996, estimated baptisms among these least-reached people totaled 7,429.

In 1996, 590 Southern Baptist answered God's call to missions, bringing the total to 4,167 missionaries working in 127 countries and among 336 ethnic people groups. Volunteers last year undergirded the ministry by a record number of 15,847.

A record \$74,694,000 in Cooperative Program funds were given in support of International Mission Board missionaries. Lottie Moon Christmas Offering receipts reached a record \$89,019,719.

The International Prayer Strategy Office reported a record number of phone calls to CompassionNet - more than 1.3 million. But more can and needs to be done.

North Carolina Baptist Foundation

The mission of the North Carolina Baptist Foundation since its inception in 1920 has been to assist the Convention and its institutions and agencies in generating endowment to enhance their permanent financial support. The uniqueness of the ministries and services provided by the institutions and General Board staff merits increased individual collective financial support. The Baptist Foundation is committed to assisting individual church members through creative stewardship methods to provide permanent financial undergirding of these ministries.

As of December 31, 1996, the Foundation held \$60,892,220 under management. In 1996, \$2,600,680 was distributed to Baptist work and \$1,259,082 was distributed to individuals for a total distribution of \$3,859,762.

The income distributions for the entire 77-year history of the NC Baptist Foundation totals: \$10,932,764 income paid to individuals and \$16,059,259 to Baptist churches, institutions and mission causes for a grand historical total of \$26,992,023.

North Carolina Baptist Hospitals, Inc.

Since opening its doors in 1923, the North Carolina Baptist Hospitals, Incorporated has remained fully committed to the purpose of carrying out a ministry of healing as taught by Jesus Christ. It is this Christ-like spirit that has led patients such as Helen Keller to write: "When I was coming out from under surgery, they treated me with fine love, and I could feel it. I have been in places where it didn't matter how many times you pressed the call button, you would just lie there and wait, but the nurses at Baptist Hospital always came right away. If I ever have to go back to a hospital, this is where I would come."

Baptist churches from all across North Carolina joined us in mutual mission through the Mother's Day Offering. This annual ingathering of love was approved the Baptist State Convention of North Carolina in 1924. In 1996 the MDO amounted to \$456,497.00. It was used exclusively to help patients who had little or no health care insurance or other financial means to pay their hospital bills. From this past year's offering, over \$200,000 was used to assist members of our Baptist churches. May God bless all those who gave so generously.

During the year, the Chaplains and Staff of the Pastoral Care Department provide worship services in Davis Chapel on Monday, Wednesday, Friday and Sunday for patients and family members. The Pastoral Care Department staff supervised 65 students during the year. They made more than 50,000 ministry contacts an increase of 10% over the previous year. CareNet, Inc. continues to grow. There are now 15 counseling centers located in strategic areas across the state. During the year these centers will provide over 26,000 hours of counseling.

The Sunday School Board - SBC

The Sunday School Board is a ministry agency. Because the ministries we can accomplish are limited to the funds we can generate through the sale of our products and services, we also are a business. With a \$266 million budget, our 1,600-plus employees produce 180 monthly and quarterly products and 400-500 books, Bibles, videos, recordings, and church supplies each year. We operate 63 Baptist Book Stores and two national conference centers.

We sponsor or participate in hundred of conferences, workshops, and events all over the United States and around the world. In the hectic pace of our work, there is always the danger of losing sight of the people we serve. So, I make it a priority to periodically remind myself and our employees that leading people to accept Christ as their Savior and grown in their faith is the reason we do what we do.

Trustees of the SB Sunday School Board from North Carolina are: Joe B. Brown, Gary Chapman, J. D. Grant, Roy Mason, Robert Tenery, James T. Draper, Jr.-President.

North American Mission Board - SBC (Formerly - Home Mission Board)

Covenant for a New Century

Why should Southern Baptist continue mission in the 21st century? As we embark upon a new millennium, this is a crucial question. A century ago, Southern Baptist were entering one of the most creative, transforming times in our history with 1.2 million members in 16,091 churches throughout 15 states. The Home Mission Board has 407 missionaries, few of them fully funded.

As we near 2000 A.D., Southern Baptist have over 41,000 churches in all 50 states, Canada, Guam, American Samoa and the Caribbean. Our missionary force has increased to almost 5,000.

This transformation has been substantial and comprehensive and we should expect the same massive change in the next century. The revolution from a sectional, white, English-speaking denomination to a national, multiracial, multiethnic convention should continue until every person in this nation has had the opportunity to hear the gospel. This will be done through diligent attention to evangelization and church planting.

In 1995, the SBC adopted a "Covenant for a New Century," which includes a new name and ministry assignment for the agency. On June 20 of this year, the HMB will become the North American Mission Board, consolidating its effort with the Radio and Television Commission and Brotherhood Commission. The agency has been assigned primary responsibility for evangelistic witness and mission advance in the United States and Canada.

CONSTITUTION

Preamble

We, the members of Baptist churches in Cabarrus County and adjacent territories in Mecklenburg, Stanly, and Rowan Counties, state of North Carolina, do hereby propose to establish and maintain the order and rules of an Association in conformity to the following plan:

ARTICLE I - NAME

The name of this body is the Cabarrus Baptist Association, Inc.

ARTICLE II - PURPOSE

The object of this Association shall be to devise and recommend measures for increasing the knowledge and spiritual power of the churches, and for developing and directing their agencies, their resources and gifts in advancing the Redeemer's Kingdom throughout the whole world.

The means of accomplishing this shall be in harmony with the teaching of the New Testament.

ARTICLE III - MEMBERSHIP

Section 1. The Association shall be composed of the officers of the Association, and pastors and messengers from churches affiliated with it. Affiliated churches shall be those which adhere to the "Baptist Faith and Message", adopted in 1963, and those which cooperate with the Association, the NC Baptist State Convention, and Southern Baptist Convention.

Section 2. The Association shall be the sole judge of its membership and may receive churches into its fellowship, or reject churches, according to its Constitution and Bylaws. Affiliated churches may also withdraw as they desire. For a body to be considered for membership in the Association, it must:

- (1) Be a church applying from a sister Association, coming in good standing, or;
- (2) A mission established by a current member church, or;
- (3) A body guided from its beginning by a cooperating relationship with the **New Church Starts Team** of the Association, or;
- (4) An established church desiring affiliation, giving satisfactory evidence of their belief in Southern Baptist faith and practice.

Section 3. Churches desiring to affiliate with this body shall apply and shall submit a written request to the **Mutual Care Ministry Team** at least 60 days before one of the **Biannual** Meetings of the Association. If recommended unanimously by this ministry team and accepted by a majority vote of the Association, the church shall agree to come under the watch care of the Association for a sufficient time to satisfy the Association of its intent to continue, through practice and attitude, a cooperating Baptist church. Upon the recommendation of the **Mutual Care Ministry Team**, acceptance with the fellowship of the Association shall be confirmed by vote of the Association. During this period, members of churches shall be entitled to all rights and privileges of the Association, except holding office and voting.

Section 4. The Association shall not maintain fellowship with any church that departs from Southern Baptist faith and practice and fails to maintain a spirit of cooperation with the Association. If any church failing to report the annual letter to the Association, or failing to be represented at the **Biannual** Meeting, or failing to support worthy Associational and denominational missions for two consecutive years, the **Mutual Care Ministry Team** shall determine the intentions of the church and make an appropriate recommendation to the association.

ARTICLE IV - MEETINGS

Section 1. The **Biannual** Meeting of the Association shall convene on Monday following the fourth Sunday in **April and** October.

Section 2. Special meetings may be called by the Moderator, provided two weeks notice is given to all affiliated churches.

Section 3. Churches of 50 members or less shall be entitled to three messengers. One additional messenger shall be allowed for each additional 50 members or major fraction thereof, provided no church shall be entitled to more than 10 messengers. These shall constitute the voting body of the Association. The names of messengers printed in the annual shall only include those attending and registering at the session of the Association.

ARTICLE V - AUTHORITY

It is understood that each church affiliated with the Association is independent and sovereign in its own affairs, and the Association has no authority over the churches, except of an advisory nature.

ARTICLE VI - OFFICERS AND THEIR ELECTION

Section 1. The officers of the Association shall be the Moderator, Vice Moderator, Clerk, **Assistant Clerk**, Treasurer, and Vice Treasurer.

Section 2. The offices shall be elected **at the Biannual meeting in October**, for a term of one year. No person in the full-time employ of the Association, with the exception of the clerk, shall be elected to any office listed in Section 1 of the Article.

Mohammed Ali no longer “floats like a butterfly” but he still “stings like a bee. The legendary boxer has turned his energies toward witnessing, but it’s not for Christ.

One reporter said, “This is a man who is as sure about his purpose in life as he was about his talents in the ring”. Ali said, “ I wasn’t just put here to box. Boxing made me famous and gave people a reason to listen to me. But I was put here to teach the Islamic faith”.

Recently, two reporters jumped at Ali’s invitation to come up to his private suite. After a banquet, they went expecting to get an exclusive interview. Instead, they got an hour of preaching. The former three-time heavy weight champion had a 21-page document containing what he believed to be discrepancies in the Bible. He then said, “People have argued for centuries about which religion is right and which religion is wrong. This (waving the Quaran in front of him) is the truth.

May we who believe in **the way, the truth, and the life** recapture such enthusiasm, zeal, and purpose?

As we approach a new millennium, Celebrate Jesus 2000, provides us the opportunity to recapture our enthusiasm, zeal, and purpose for the one who is **the way, the truth, and the life.**

1998 is the year for Prayer and Personal Witnessing. Many of you have joined those of your church for a prayer walk in your neighborhood. We thank God for what is going to happen in the lives of so many because of this prayer ministry.

T.W. Hunt is a prayer specialist for the Southern Baptist Convention. While evaluating a recently published Gallup poll on prayer, Hunt noted, “The biggest single non-biblical aspect of American praying today is lack of intercession or praying for others”. He went on to say, “The majority of teachings in the Bible are for intercession. The Bible tells you to pray for other people, and this is where Americans fail most dismally.”

The prayer walk provides a ministry to people – some we have never met and do not know.

Personal Witnessing:

We have conducted two one-day witnessing clinics to help you to become an effective witness for our Lord. We are still committed to train 50 evangelism teams that will be available to assist your church during revival and evangelistic crusades in personal witnessing.

1999 is the Year of Proclamation. During this year may we allow our Lord to use us so that every person in the world will hear the gospel at least once? Don’t forget our world begins right here in the Cabarrus Baptist Association.

Coy C. Privette, Chairman

Counseling Center Committee

The Counseling Center at Concord is a shared ministry of the Cabarrus Baptist Association and the North Carolina Baptist Hospitals. The Center provides a counseling ministry to individuals and families in our community.

The Center sees clients on Mondays by appointment. Dr. Laurel Link and Rev. Tom O'Neal provide pastoral counseling and guidance from a faith perspective. Many of the Center's clients are members of Cabarrus Baptist churches. They often come to the Center by pastoral referral or recommendation.

On October 19, 1998, the Center hosted a community program entitled, "Parents, Children, Teens and Boundaries" at First Baptist Church in Kannapolis. The Center hopes to continue offering these community and family programs in the next year.

Your Counseling Center Committee would like to ask churches to consider including the Counseling Center in your 1999 church budget. Individuals may also wish to become partners with the Center by supporting it through monthly, quarterly or annual gifts. Your tax-deductible contributions can help to subsidize those who are unable to pay for such services.

Tom Cabaniss, Chairman

Ordination Advisory Committee

The Ordination Committee met during 1997-98 at the request of area churches for the purpose of examining candidates for the gospel ministry. Members of the committee include Norman Brisson, chairman, Gene Edwards, Tom Tucker, David Brown, and Fred Morris.

Request for examinations were received from the following churches:

Central Baptist	to examine Mr. Thomas L. Smith
Charity Baptist	to examine Mr. Darren Sanders and Mr. Scott Faw
Parkwood Baptist	to examine Mr. Jonas Perex
Kannapolis First	to examine Mr. Vilath Saysombath
Central Baptist	to examine Mr. Allen Reid
North Kannapolis	to examine Mr. Richard Keasler, Mr. Bobby Bowman

All candidates were recommended for ordination.

Norman Brisson, Chairman

Sunday School and Vacation Bible School

This past year has seen many training opportunities in Sunday School and Vacation Bible School. Several churches have done in-house training with help from members of the Leadership Training team.

Three VBS clinics were held. One for pastors and VBS Directors in early planning, a regional VBS clinic and our own Cabarrus Baptist Association clinic.

Fall training opportunities have been at Ridgecrest, Caraway and at First Baptist, Charlotte (hosed by Baptist Metrolina Ministries).

Plans are already underway for another training extravaganza on September 28, 29, 1999 at Concord First Baptist. Mark your calendar NOW for this event. Watch for details as they develop.

Training for Bible Drill leaders – Tuesday, October 27 at 7 pm, Glorieta Baptist Church. No registration is required.

Endowment Committee Report

Tony Campolo noted after reading a sociological study of 50 people over the age of 95, some "tidbits" of good advice.

Each of these seniors was asked one question: ***"If you could live your life over again, what would you do differently?"*** It was an open-ended question so these elderly people could provide any type of answer. Many different responses were tabulated and from all of those there were three answers that consistently merged. **These three dominant thoughts were:**

- 1. *Reflect more***
- 2. *Risk more***
- 3. *Do more things that would live on after I am dead.***

The basic purpose of your Endowment Committee is to encourage you to remember the ministries of the Cabarrus Baptist Association by tithing in your will. This will make it possible for you to serve our Lord until He comes again. What an opportunity!

Many respond to this challenge by saying, "I don't have enough to give to make a difference". Have you ever heard of the widow's mite? Those two small coins didn't appear to be worth much when she first offered them to God.

A banker has shown otherwise. He estimated that had her monetary gift been placed in a bank drawing 4% interest compounded semi-annually, the account would now be worth 4.6 billion trillion. If a financial institution can multiply the value of two small coins

like that, just think what God could do with your gifts left to the ministry of the Cabarrus Baptist Association.

With the theme: "Senior Adults: A Living Witness", we conducted our second Senior Adult Conference on October 20 with Arthur Smith, well-know churchman and entertainer, as the keynote speaker. We are so pleased with the growing interest and participation in this event.

Will you encourage those in your churches to prepare now to do more things that will live on after they have gone to glory?

Coy C. Privette, Chairman

Association Media Library Ministry Team

Our ongoing project of sending books to South Africa is really going well. We continue to have church groups and individuals making donations to this worthy cause. Please call the association office for more information if interested in helping with this project.

We mailed 35 Media Ministry Newsletters in September. These were sent to all media directors in our association, as well as to several directors in Rowan, Mecklenburg and Stanly associations. We invite these and others in surrounding areas to our meetings and workshops.

Our next training event will be held November 7 at the association office, "Care and Repair of Books" will be taught by Judy Furr and Tommy Cooper. Anyone interested is welcome to come and join us in the "hands on" workshop. For more information call, Myra McGarrell (788-1036) or Judy Furr (455-5251).

The 4th annual Media Library Banquet is scheduled for January 30, 1999 at the association office. We always have great food and a wonderful time of fellowship. Newsletters will be sent out to all churches in December with registration forms included.

Our association is truly blessed with many dedicated media library workers who have answered the call to church media library ministry.

Myra McGarrell, Director

Seminary Extension

Things are going well with Seminary Extension. Last winter, Steve Davis taught the course, O.T. Survey I. It was an exceptional class room experience.

This fall, beginning October 20, we will offer N.T. Acts, with Rev. Mike Farley teaching this course. In January, Steve Davis will teach O.T. Survey II.

All courses are open to everyone. We would love to have you as part of this wonderful ministry. We also welcome your comments and suggestions. If you would be interested in teaching a Seminary Extension course, please contact the associational office.

New Church Starts Ministry Team

Throughout the past year, our team has prayed for God's guidance and leadership in the planting of new churches in our association. Through prayer, research, demographic profiles and assistance from our state convention, the team, has prioritized areas in the association where new work is needed to provide both an evangelistic and a ministry presence.

The association has approved the establishment of a new work in the Midland area in 1999 led by experienced church planter, Lawrence Stewart. Your New Church Starts Ministry Team seeks the prayerful support of each Cabarrus Baptist church and Christian as this new work begins.

You may speak with a member of our team for further details about how you or your church can become financially committed to this new church plant. As the team seeks to identify future moves, locations and timing, we covet your prayers that we will obediently follow God's leadership.

Tom Cabaniss, Chairman

Woman's Missionary Union Ministry Team

"Come Go with Me" the theme for the 1997-98 year in WMU has been exciting and challenging. The association WMU Leadership Team went many "places" and did many "things".

We started the year by contacting every church in the association to assess the level of WMU work going on in each church and to assess any needs or information required by the churches to improve or start WMU work.

Each member of the leadership team was trained by state workers to be better qualified to do the job they were assigned. The age-level organizations then were able to plan some very creative ways to help the community.

Mission Friends collected "Love Bags" for the Baptist Sharing House in February. GA's helped collect Easter baskets, donated money at Skate Nights and enjoyed a Mother/Daughter Banquet. The Acteen Activators and Association Puppet Team ministered around our association and in Maryland on a week-long mission trip.

Throughout the association, our churches have been faithful to send items and volunteers to help at the Sharing House. Many WMU groups collected money to send to South Africa for the purchase of sewing machine and help collect humanitarian aid items for Venezuela, South Africa and Belarus.

This coming year, the theme "Transformed" is already being carried out around our association and through our churches. The annual training for all church age-level workers was well attended and many good ideas and plans are in the works for this year.

My thanks to the Cabarrus Baptist Association for allowing WMU to be part of the ongoing mission work in this area. We covet your prayers as we try new projects and new ways to help lost and hurting people of Cabarrus county and the world.

Ann Carter, WMU Director

Missions Committee

The Missions Committee was very busy during the last twelve months.

Ongoing Projects:

Mission Churches: The International Church, the Korean Church and the Kannapolis Community Baptist Church. All of these continue to grow under the leadership of their current pastors, Reverends Jonas Perez, Yong Su Cho and Aaron Wells respectively. These men of God are commended for the outstanding work God is doing through them in these churches.

The Baptist Sharing House: Juanita Hartsell continues to lead this worthwhile ministry to even greater heights. The needs of the less fortunate in our county continue to be provided through this ministry. The assistance of Reverend Jonas Perez is deeply appreciated. Not only are we fulfilling the physical needs of the people, but the Hispanic population is being given spiritual encouragement when they come to the Baptist Sharing House.

The Raceway Ministry: The Raceway Ministry has grown to new levels for both the spring and fall races. In the spring of 1999, there will be a service offered for both weekends. Memorial Baptist is responsible for the earlier race service.

Global Children: Global Children had the best success yet. There were four from Venezuelan and four Belarus children. As usual Marty Montague did an outstanding job with coordinating these children's visits.

South African Partnership: There has been tremendous success with the South African Partnership. There were a number of visits by our church representatives to South Africa doing a sundry of mission work, teaching, preaching, leading prayer walks and construction. All who participated were blessed. We thank each one for their time and desire to help those who we have committed to support in a country that needs Jesus.

Monies were raised to help Shiloh Baptist Church with purchasing property. In addition, we are helping to sponsor a church planter for Shiloh.

New Work:

A New Church Start Subcommittee was formed. This committee under the leadership of Dr. Wadford and Chairman Tom Cabaniss studied four different locations for a new church start. These were Midland, Rocky River Road, Downtown Concord, Earnhardt Boulevard. After much prayer, discussion and talk with the churches in the areas, Midland appeared to be the direction that God is leading. Therefore, a motion was made and approved at the biannual meeting in April to proceed with a start in Midland.

Church Planter, Reverend Lawrence Stewart, who is currently in West Virginia has agreed to come and lead in the Midland endeavor. May all be in prayer for Lawrence and his family as they come to do the work at Midland. Miami Baptist has agreed to be the primary sponsoring church for this new work.

The above are the major efforts for the Mission Support Committee. However, there were many smaller efforts that were discussed and approved during the year. We pray that the new church year, 1998-1999 will be the most successful for the Cabarrus Baptist Association in doing missions. Active missions will change the lives of people within Cabarrus County, not only for the receiver of the ministry but for those who minister.

Don Davis, Chairman

Prayer Ministry Team

The "Prayer Ministry Team" is a part of the *Spiritual Development Ministries Council*. Its members are Donna Duncan – McGill Avenue, Sue Fowler – Miami, and Christine White – West Point. Our major tasks are:

- ❖ To encourage all churches to begin their own prayer ministry.
- ❖ To communicate information to all churches, so that each associational project and ministry will be undergird with prayer.
- ❖ To communicate emergency prayer needs to all churches.

We hope to accomplish these tasks through a contact person in each church.

Associational Missionary Report

This year has been a year of changes in the Cabarrus Baptist Association. The association has moved into the implementations of a new organization model, which will produce broader participation and better communication. This new structure is reflected in the above reports to our Biannual Meeting. We hope you find this mission information both challenging and rewarding.

There have been other changes taking place too. The staff of our association is in transition with Marty Montague leaving to take a position with Global Children's Outreach and Joyce Kluttz retiring at the end of this year, we have begun a process of rebuilding our ministry team. Sandy Wayne has also resigned to stay at home and work in their family business. The Personnel Committee started their work in September to find persons for each of these positions. Please join us in praying that the Lord will send the right persons for each of these areas.

The Cabarrus Baptist Association continues to experience growth in the area of missions and ministry. Our churches have sent out a record number of volunteers on mission trips this year. The North Carolina and South Africa Partnership continues to be strengthen in our association. Our association has a priority for starting new churches and wishes to carry that commitment around the world by sponsoring

the church planter, Gregory Sy Van, at Shiloh Baptist Church in South Africa. It is with great joy I report to you that Rev. Sy Van is on the church field and ministering to the people of Shiloh Baptist Church.

Randy Wadford

Baptist Retirement Homes of North Carolina, Inc.

Our 500 residents plus all the staff who make up the Baptist Retirement Homes part of the family, say, "Thank You", to the rest of our North Carolina Baptist family. Thank you for giving so generously through the Cooperative Program and through the North Carolina Offering for Older Adults enabling Baptist Retirement Homes to lead the way for the state of North Carolina in providing benevolent care for Older Adults. Every dollar that comes through these channels is designated to provide care for the "poor elderly."

Baptist volunteers range from a WMU group that provides regular monthly programs plus special activities such as ice-cream socials at The Taylor House in Albemarle, to a friend who spends hours each week giving manicures at The Hamilton Baptist Home in Hamilton, to a BSU group that provides a weekly program at the Prince Nursing Care Center at the Brookridge Retirement Community in Winston Salem, to a preschool day care class that comes twice a month to visit their "grandfriends" at the Western NC Baptist Homes in Asheville.

For more than a decade Baptist Retirement Homes has been dreaming with NC Baptist of the Cabarrus/Mecklenburg/Rowan/Stanly area about providing quality residential and health care living opportunities and services to older adults. Because of the encouragement given by Baptist of the area, and as a result of the philanthropy of Cabarrus County natives, Carrol and Geneva Taylor, this dream will soon be a reality.

Christian Action League of North Carolina

It is a joy for the Christian Action League to serve the churches of this great state. WE continue to work to inform the Christian community about the moral issues that face our state and nation. Our goal is to address these issues with the principles of God's Word, the cornerstone of all truth.

Christian Values

It was the pleasure of the Christian Action League to be one of the sponsors of the 3rd Annual Christian Heritage Week of North Carolina held March 5-22. The League encouraged schools, churches and communities to recognize, commemorate and learn about the Christian heritage and history of our nation.

Continued to promote Christian citizenship throughout the churches and communities of our state. CAL has distributed over 12,000 copies of the Ten Commandments to churches, businesses, schools and homes across the state.

Held a Church Leadership Legislative Day on June 23. The purpose of this day was to have pastors and church leaders to come together and enjoy fellowship, meet and hear some of our legislators and become more aware of how state government and the legislative process works.

Gambling

Lottery proponents continue in their efforts to bring a state-sponsored lottery to North Carolina. CAL monitors these efforts and updates the Christian community on lottery information through letters, calls and our fax and electronic mail networks.

Alcohol

CAL monitored all legislation concerning alcohol and other drugs. Successfully supported efforts to strengthen DWI laws. Assisted communities in organizing committees to fight alcohol and drug use. Worked to defeat legislation that would have approved alcohol sales without the vote of the people. Provided awareness, education and resource materials related to substance abuse problems to churches, communities, etc.

Christian Higher Education Report

The Council on Christian Higher Education was founded by the convention in 1944. It was established to assist colleges and churches within the Convention. The Council does not exercise any authority over the Baptist colleges. The competent leadership of trustees, administrators, and faculty guide them as they fulfill their missions.

Four men have led the Council as its Executive Director. T. Robert Mullinax joined the council in 1971. Mullinax retired this year from the post he has faithfully guided for 27 years. The Council and Executive Committee of the General Board invited Wayne D. Wike to become the Council's fifth leader. Wike comes to his post from the pastorate. He has served four North Carolina churches as pastor.

"A democracy can only survive and flourish as a nation of readers," says Daniel J. Boorstin, a Pulitzer Prize-winning historian and former Librarian of Congress.

The Biblical Recorder tries to tell the whole story with a focus on the many positive things people are doing in their churches and world missions, along with the crucial issues which cannot be concealed and ignored if we honor our heritage from yesterday and fulfill our mission for tomorrow.

There is no way to address these issues without correct and reliable information. The Biblical Recorder was born and continues to serve for that purpose. In the 165 years of state Baptist papers in North Carolina, never was the Recorder more needed than now for people to have the truth.

The Biblical Recorder should be in every Baptist home in North Carolina. Your support as a subscriber and reader, coupled with your encouragement to others, will enable the paper to better serve the constituency with accurate and helpful information.

The paper deliberately focuses more attention on North Carolina Baptists with news, features and inspirational articles that will encourage individuals and churches in their witness and ministry. This is why the Recorder was born; that is why it serves today.

Baptist Children's Homes of North Carolina

Her voice steady and quiet, Christy delivers her personal story like a letter dropped into an anonymous mailbox at a shuttered house on a nameless street. Her grandparents' murder had unleashed memories of her own abuse. Family members encouraged her to leave her home and repeatedly told her she was worthless.

"I've had a rough life", she says. "I've been through about anything I can possibly go through". Christy admits carrying a short fuse and outbursts, physical abuse and a dangerous living situation brought her to Mills Home in November 1997.

She continues her quiet story about coming to Mills Home, about doing well in school, and tutoring two residents in Alumni Cottage. She's glad she can help, because "learning comes easy to me, and I want to help someone if I can".

Julie, her first child care worker at Mills home, became a real friend who "helped me turn my life around", Christy says, her face at last beginning to brighten. "She was there for me when I needed somebody. My parents weren't there. Nobody wanted me. It was fun being around Julie. She showed me she cared about me and that I could be loved".

During the past year BCH received \$1.6 million through the Cooperative Program, and \$752,000 through the Thanksgiving Offering. Total church gifts of \$3.3 million comprised 18 percent of the nearly \$18 million in revenue. Because of a positive investment environment, BCH investments of endowment funds provided 33 percent of revenue.

Two major priorities of the \$10.1 million "Light Their Way" Campaign were dedicated: the Winifred Lindsay Education/Administrative Center at Odum Home in Pembroke on January 20, and the John D. and Amelia W. Johnson Cottage at Mills Home on May 12.

The video, "A Long Walk Home" is available to promote the 1998 Thanksgiving Offering, which has a statewide goal of \$800,000, the largest ever.

The North Carolina Baptist Hospitals, Incorporated

In May 1998 the North Carolina Baptist Hospitals, Inc. celebrated 75 years of service to the community and the region. During these years the hospital has been faithful to the vision of the North Carolina Baptist State Convention when the hospital was birthed: to extend the healing ministry which was demonstrated by Jesus Christ. Many challenges have been faced through these years, but the commitment to compassionately strive for innovative excellence has remained the same.

Baptist Churches from all across North Carolina joined us in mutual mission through the Mother's Day Offering. This annual ingathering of love was approved by the Baptist State Convention of North Carolina in 1924. In 1997 the MDO amounted to \$500,747. It was used exclusively to help patients who had little or no health care insurance or no other financial means to pay their hospital bills. From the offering this past year, well over \$200,000 was used to assist members of our Baptist Churches in North Carolina. May God bless all those who supported us with prayers and gave so generously.

During the year the chaplains and staff of the Pastoral Care Department provide worship services in Davis Memorial Chapel on Monday, Wednesday, Friday and Sunday for patients and family members. The Pastoral Care Department staff supervised 64 students during the year and made more than 53,000 ministry contacts.

The Department of Pastoral Counseling, CareNet, Inc. continues to expand its ministries. There are now 13 Christian counseling centers located in strategic areas across the state. During the year these professionally staffed centers will provide over 26,000 hours of counseling.

The North Carolina Baptist Foundation, Incorporated

The mission of the North Carolina Baptist Foundation since its inception in 1920 has been to assist the Convention and its institutions and agencies in generating endowment to enhance their permanent financial support. The uniqueness of the ministries and services provided by the institutions and General Board staff merits increased individual collective financial support. The Baptist Foundation is committed to assisting individual church members through creative stewardship methods to provide permanent financial undergirding of these ministries.

As of December 31, 1997, the Foundation held \$72,432,412 under management. In 1997, \$3,473,850 was distributed to Baptist work and \$1,542,473 was distributed to individuals for a total distribution of \$5,016,323.

Our Mission Statement

Cabarrus Baptist Association

The Cabarrus Baptist Association exists for the purpose of working with and encouraging its member churches to fulfill the Great Commission of our Lord. The association will fulfill its purpose through local ministry and through cooperation with sister churches in joint mission efforts at home and around the world.

The association will seek to provide leadership, resources, training, ministry opportunities, and mission opportunities. We will further seek to provide encouragement to each church, its pastors, and staff and members, so they may better fulfill their Christian calling and responsibility, according to the teachings of the New Testament.

The association is to encourage fellowship among its churches, members, pastors, and staff to develop a Christian unity that is needed to give a positive witness to the world around us.

CONSTITUTION

Preamble

We, the members of Baptist churches in Cabarrus County and adjacent territories in Mecklenburg, Stanly, and Rowan Counties, state of North Carolina, do hereby propose to establish and maintain the order and rules of an Association in conformity to the following plan:

ARTICLE I - NAME

The name of this body is the Cabarrus Baptist Association, Inc.

ARTICLE II - PURPOSE

The object of this Association shall be to devise and recommend measures for increasing the knowledge and spiritual power of the churches, and for developing and directing their agencies, their resources and gifts in advancing the Redeemer's Kingdom throughout the whole world.

The means of accomplishing this shall be in harmony with the teaching of the New Testament.

ARTICLE III - MEMBERSHIP

Section 1. The Association shall be composed of the officers of the Association, and pastors and messengers from churches affiliated with it. Affiliated churches shall be those which adhere to the "Baptist Faith and Message", adopted in 1963, and those which cooperate with the Association, the NC Baptist State Convention, and Southern Baptist Convention.

Section 2. The Association shall be the sole judge of its membership and may receive churches into its fellowship, or reject churches, according to its Constitution and Bylaws. Affiliated churches may also withdraw as they desire. For a body to be considered for membership in the Association, it must:

- (1) Be a church applying from a sister Association, coming in good standing, or;
- (2) A mission established by a current member church, or;
- (3) A body guided from its beginning by a cooperating relationship with the **New Church Starts Team** of the Association, or;
- (4) An established church desiring affiliation, giving satisfactory evidence of their belief in Southern Baptist faith and practice.

Section 3. Churches desiring to affiliate with this body shall apply and shall submit a written request to the **Mutual Care Ministry Team** at least 60 days before one of the **Biannual** Meetings of the Association. If recommended unanimously by this ministry team and accepted by a majority vote of the Association, the church shall agree to come under the watch care of the Association for a sufficient time to satisfy the Association of its intent to continue, through practice and attitude, a cooperating Baptist church. Upon the recommendation of the **Mutual Care Ministry Team**, acceptance with the fellowship of the Association shall be confirmed by vote of the Association. During this period, members of churches shall be entitled to all rights and privileges of the Association, except holding office and voting.

Section 4. The Association shall not maintain fellowship with any church that departs from Southern Baptist faith and practice and fails to maintain a spirit of cooperation with the Association. If any church failing to report the annual letter to the Association, or failing to be represented at the **Biannual** Meeting, or failing to support worthy Associational and denominational missions for two consecutive years, the **Mutual Care Ministry Team** shall determine the intentions of the church and make an appropriate recommendation to the association.

ARTICLE IV - MEETINGS

Section 1. The **Biannual** Meeting of the Association shall convene on Monday following the fourth Sunday in **April** and October.

Section 2. Special meetings may be called by the Moderator, provided two weeks notice is given to all affiliated churches.

Section 3. Churches of 50 members or less shall be entitled to three messengers. One additional messenger shall be allowed for each additional 50 members or major fraction thereof, provided no church shall be entitled to more than 10 messengers. These shall constitute the voting body of the Association. The names of messengers printed in the annual shall only include those attending and registering at the session of the Association.

ARTICLE V - AUTHORITY

It is understood that each church affiliated with the Association is independent and sovereign in its own affairs, and the Association has no authority over the churches, except of an advisory nature.

ARTICLE VI - OFFICERS AND THEIR ELECTION

Section 1. The officers of the Association shall be the Moderator, Vice Moderator, Clerk, **Assistant Clerk**, Treasurer, and Vice Treasurer.

Section 2. The offices shall be elected **at the Biannual meeting in October**, for a term of one year. The nominee shall be contacted and nominated by the **Enlistment Committee** (Bylaw IV, Section 6). Enlistment Committee shall not preclude Nominations from the floor. No person in the full-time employ of the Association, with the exception of the clerk, shall be elected to any office listed in Section 1 of the Article.

Section 3. All officers shall complete their work as soon as practical after the closing of the session. The newly elected officers shall assume, at the close of the session, all duties incumbent upon said officers relating to the work of the ensuing Association year. Officers shall carry out the responsibilities of their offices at all times as instructed by the Constitution, the Association and/or the General Board.

Section 4. The Moderator shall be elected annually and shall not be eligible to succeed himself after serving two successive terms of office.

ARTICLE VII - COUNCILS AND PROGRAMS

Section 1. The Association shall promote a program of teaching, training, missions and stewardship emphasis through the following **councils**: **The Spiritual Development Council, the Evangelism Networks Council, the Educational Linkups Council, the Care Giving Ministries Council, and the Mission Partnership Council**, and any other such **councils** as may be added by the Association or the General Board.

b. Mission Partnership Ministry Council

Missions have always been the heartbeat of Southern Baptist throughout the centuries. This is also true for Cabarrus Baptist Association. We are here because our forefathers believed in a strong Christian witness in our area.

This heartbeat continues even now in our association. During this past year, we have seen the start of a new church Rocky River Community Church, the continued strengthening of First International and First Korean, and the acceptance of Kannapolis Community into our fellowship. In addition, Kannapolis Community is beginning a new work in the Concord area.

The New Church Start Team is also praying about the possibility of two new church starts this coming year. There is truly a hunger to reach the people in our area.

The General Board also voted to be involved in the new partnership with the State Convention in Alaska. This is truly a "new frontier" in missions.

Many of our churches have also sent teams on mission trips to South Africa, the eastern United States, and of course the eastern part of our own state.

I urge you to pray and get excited about the many possibilities for next year. Maybe, just maybe, God is calling you.

Evangelism Ministry Council

I noticed a bumper-sticker which said "Friends don't let friends die without Jesus."

An ancient prayer from the third-century church invited our Savior to "come as fire and burn. Come as light and reveal. Convict, convert, consecrate – until we Are wholly Thine.

That's a cry for revival – a prayer that was answered dramatically in first-century Antioch and could occur again as we prepare to enter a New Millennium.

The citizens of Antioch had seen "a great number of people who believed and turned to the Lord." (Acts 11:21). Onlookers were no doubt amazed by this Phenomenon. It was extraordinary. It cried out to be defined. One Antiochean meeting another on the street might have said, "Who are those people?" The other might have responded "They are Christ-ians," (they are People who belong heart and soul to one they say is anointed by God to save and rule the nation. Christ is all they think about, all they talk about, all they live for. They are fanatical about Him. They believe He's the center of everything")

Can that be said about Cabarrus Baptist? If so, why aren't we reaching more people for Jesus? If not, when will we be willing to pay the price necessary to reach others?

Your Evangelism Council urges you to consider the following:

1. The Watchman Prayer Ministry – There is a great need for NC Baptist to be Praying for God to work in the lives of His people and His churches so we Can experience revival again. Information about this ministry can be obtained from the Associational Office.
2. Jesus Video Project – Give a copy of the JESUS VIDEO to the people in your Church area as a Christmas gift along with information about your church. Contact the Associational Office for additional materials.
3. Area-Wide Crusade – We are in contact with the Billy Graham Evangelistic Association for an area-wide evangelistic crusade as we enter a New Millennium.

God is waiting to do in Cabarrus what He did at Antioch. "Call unto me, and I will answer you and show you great things that you do not know about"

Jeremiah 33:3

Mutual Care Ministry Team

The Mutual Care Ministry Team of the Cabarrus Baptist Association presented a motion at the April 26, 1999, semi-annual meeting of the association that the Cornerstone Baptist Church then Under watchcare status be accepted as a cooperating member of the Cabarrus Baptist Association.

Also, at the same meeting the Mutual Care Ministry Team presented a motion that the Kannapolis Community Baptist Church be accepted under the watchcare of the Association for an indefinite time.

Both motions were voted on and approved by the Association.

On October 5, 1999, the Mutual Care Ministry Team met with the pastor and officers of the Kannapolis Community Baptist Church and after a discussion involving the doctrines and practices of Southern Baptist, church officers indicated a willingness to be fully cooperative in Southern Baptist work.

Therefore, the Mutual Care Ministry Team presents a motion that the Kannapolis Community Baptist Church be accepted into the membership of the Cabarrus Baptist Association with all the privileges afforded to all member churches.

Educational Link-UP Ministry Team

The primary task completed by the Education Link-up Ministry Team was to plan and implement the Cabarrus Baptist Association Fall Training Extravaganza – "Lay Leadership –2000". Over 50 training workshops were offered to the members of our churches and to churches in our sister associations. Reverend Bob Sheffield from Lifeway Christian Resources kicked off the conference with an inspiring message challenging us to seize the opportunity to spread the Word Of God.

First, we thank God for His wisdom and power in directing us to have such an event. We also thank the members of the Education Link-up Team, all the volunteers from throughout the state who led the workshops, and the Cabarrus Association staff who worked so hard in bringing everything together to make this training event a success. Over 500 people attended these workshops, and it is our prayer that they were enlightened on better ways to prepare our churches for The year 2000 and beyond.

The Education Link-up Team will continue in the new year to offer training opportunities to churches within the Cabarrus Baptist Association. We encourage you to make suggestions about how we can help you with your training needs.

CARE GIVING MINISTRY COUNCIL

1998-99 Report

The Care Giving Ministry Council and its teams have been busy this past associational year, with each Ministry Team working faithfully to meet needs in their area of ministry. This past year was a year of organization and development of our purpose under the new associational team ministry structure. Highlights are listed below of the different teams:

1. The Counseling Center Ministry Team had a busy year as the counseling center continued to grow in case load and expanded hours of service. During the year the recommendation was made to discontinue our affiliation with CareNet and Baptist Hospital and begin a shared ministry with Counseling Center of Charlotte, with Tom O'Neal as the Director of Counseling Center of Concord. Dr. Laurel Link also resigned as Counselor during the year. At present the Counseling Center is open a full day on Monday and one half day on Thursday. Please continue to pray for this vital ministry and feel free to make referrals by calling 786-9205.
2. The Christians Singles Ministry Team had another year of growth and ministry reaching out to the singles and singles again of our area. Linda Stallings had to resign as Team Leader during the year because of family responsibilities and Rodney Taylor took over as leader. This ministry continues to meet important needs of the singles through a Friday Night Fellowship and Bible Study, Seminars on Divorce Care, and other retreat times and mission projects.
3. The Baptist Sharing House Ministry Team saw the planning and building of additional space at the Sharing House facilities in Concord. Volunteers from many churches worked hard to provide new office space, storage space and a large waiting room, Southtrust Bank and K-Town Furniture donated the furnishings for the new addition. During the year, the Sharing House Satellite in Kannapolis became a part of the Baptist Sharing House Ministry with Marsha Powell serving as Director. The Kannapolis Ministry operates out of facilities provided by West Point Baptist Church and is open on Saturday mornings for food distribution only. Thank you for the continuing support of the Baptist Sharing House by your prayers, volunteer work and contributions of money, food, clothes and furniture.
4. The Mutual Care Ministry Team has been busy this year also, meeting with several churches concerning membership in the association. They have met with the Kannapolis Community Baptist Church, Cornerstone Baptist Church and are recommending these two churches come into full membership of the Cabarrus Association. They also met with New Life Baptist Church but because of doctrinal differences turned down their request for membership.
5. The Ordination Advisory Ministry Team has also been busy this year, receiving requests for the examination of Joey Morrison of Blackwelder Park, Keith Holland of Blackwelder Park, Jeff Pethel of McGill Avenue, Gary Carroll of Young Memorial and Todd Galloway of Lane Street.
6. The Church Staff Ministry Team has been meeting for lunch with church staff members (Associate Pastors, Education, Music) for times of fellowship and encouragement.

Woman's Missionary Union Ministry Team

The theme "Transformed – Take The Stand" for this year is full of exciting opportunities. The WMU leadership team has set as our primary objective – to help the churches in our association rekindle a fire for missions and to help women realize, develop and use their spiritual gifts.

The tasks of WMU remain the same – Give to and pray for missions; do missions; learn missions; support the work of the church, the denomination and the association; develop spiritually towards a missions lifestyle.

The WMU in this association will continue to lead in mission action, education and awareness from pre-school through adults. The leadership team is thankful to be a part of the ongoing work in this area. We ask for your prayers and support as we plan and prepare our hearts to answer God's call to His mission field, whether here, in NC, or abroad.

WMU has an exciting year planned. It has already begun with Fall Training Extravaganza which was well attended. WMU conferences received high marks from the attendees. One conference was attended by at least one pastor who said the session "was too short."

Spiritual Development Council

During the past year the ministry teams have worked together to promote Spiritual Development within Cabarrus Baptist Association. We are grateful for those who have served faithfully this year.

Biannual Planning Team: This team has done a good job in putting together programs that blend worship, testimonies, business, and a challenge from God's Word. Their goal is for the biannual meetings to be both informative and inspirational.

Prayer Ministry Team: Although only several years old, this ministry is having an immediate impact in our association. Through its promotion of prayer in the Cabarrus Baptist Newsletter, and on the Internet (cabarrusbaptist.com) many needs in Cabarrus County, and around the world are being prayed for. We are thankful to the Lord for His faithfulness in answering these prayers.

ASSOCIATIONAL MISSIONARY REPORT

The year of 1999 will be remembered for a long time by Cabarrus Baptists. This was the year that our association took a giant step forward in missions and ministry, as you can see from the following report.

Spiritual Development Ministry Council

The Cabarrus Baptist Association is experiencing great times of worship as our churches are coming together for our biannual meetings and for our General Board meetings. These special times of worship are strengthening our association. It is our prayer that this biannual celebration at North Kannapolis Baptist Church will be remembered for many years to come.

Evangelism Networks Ministry Council

Our Evangelism Networks Ministry Council is hard at work planning for a crusade within the first few years of the new millennium. This council has also encouraged our churches to be involved in pray walks and distribution of the Jesus Video.

Care-Giving Ministry Council

The Care-Giving Ministry Council has been busy working on the new addition at the Baptist Sharing House and in the expansion of the entire ministry to include a location at West Point Baptist Church in Kannapolis. The Baptist Sharing House Ministry has grown much during 1999.

The Baptist Counseling Center is experiencing growth as well. The center is now open two days per week and we are examining the possibility of bringing in a second counselor in the area of children's counseling. Rev. Tom O'Neil is our director and he is serving as our primary counselor. Continue to pray for our center, our clients and our counselors.

Education Link-ups Ministry Council

The Education Link-ups Ministry Council lead by Don Davis did it again in September, 1999. They put together a wonderful training opportunity for all our churches. The Fall Training Extravaganza was a huge success. We had over 500 persons from several associations attend this two night training event. I would like to express my thanks to Don and all our leaders that made this training possible.

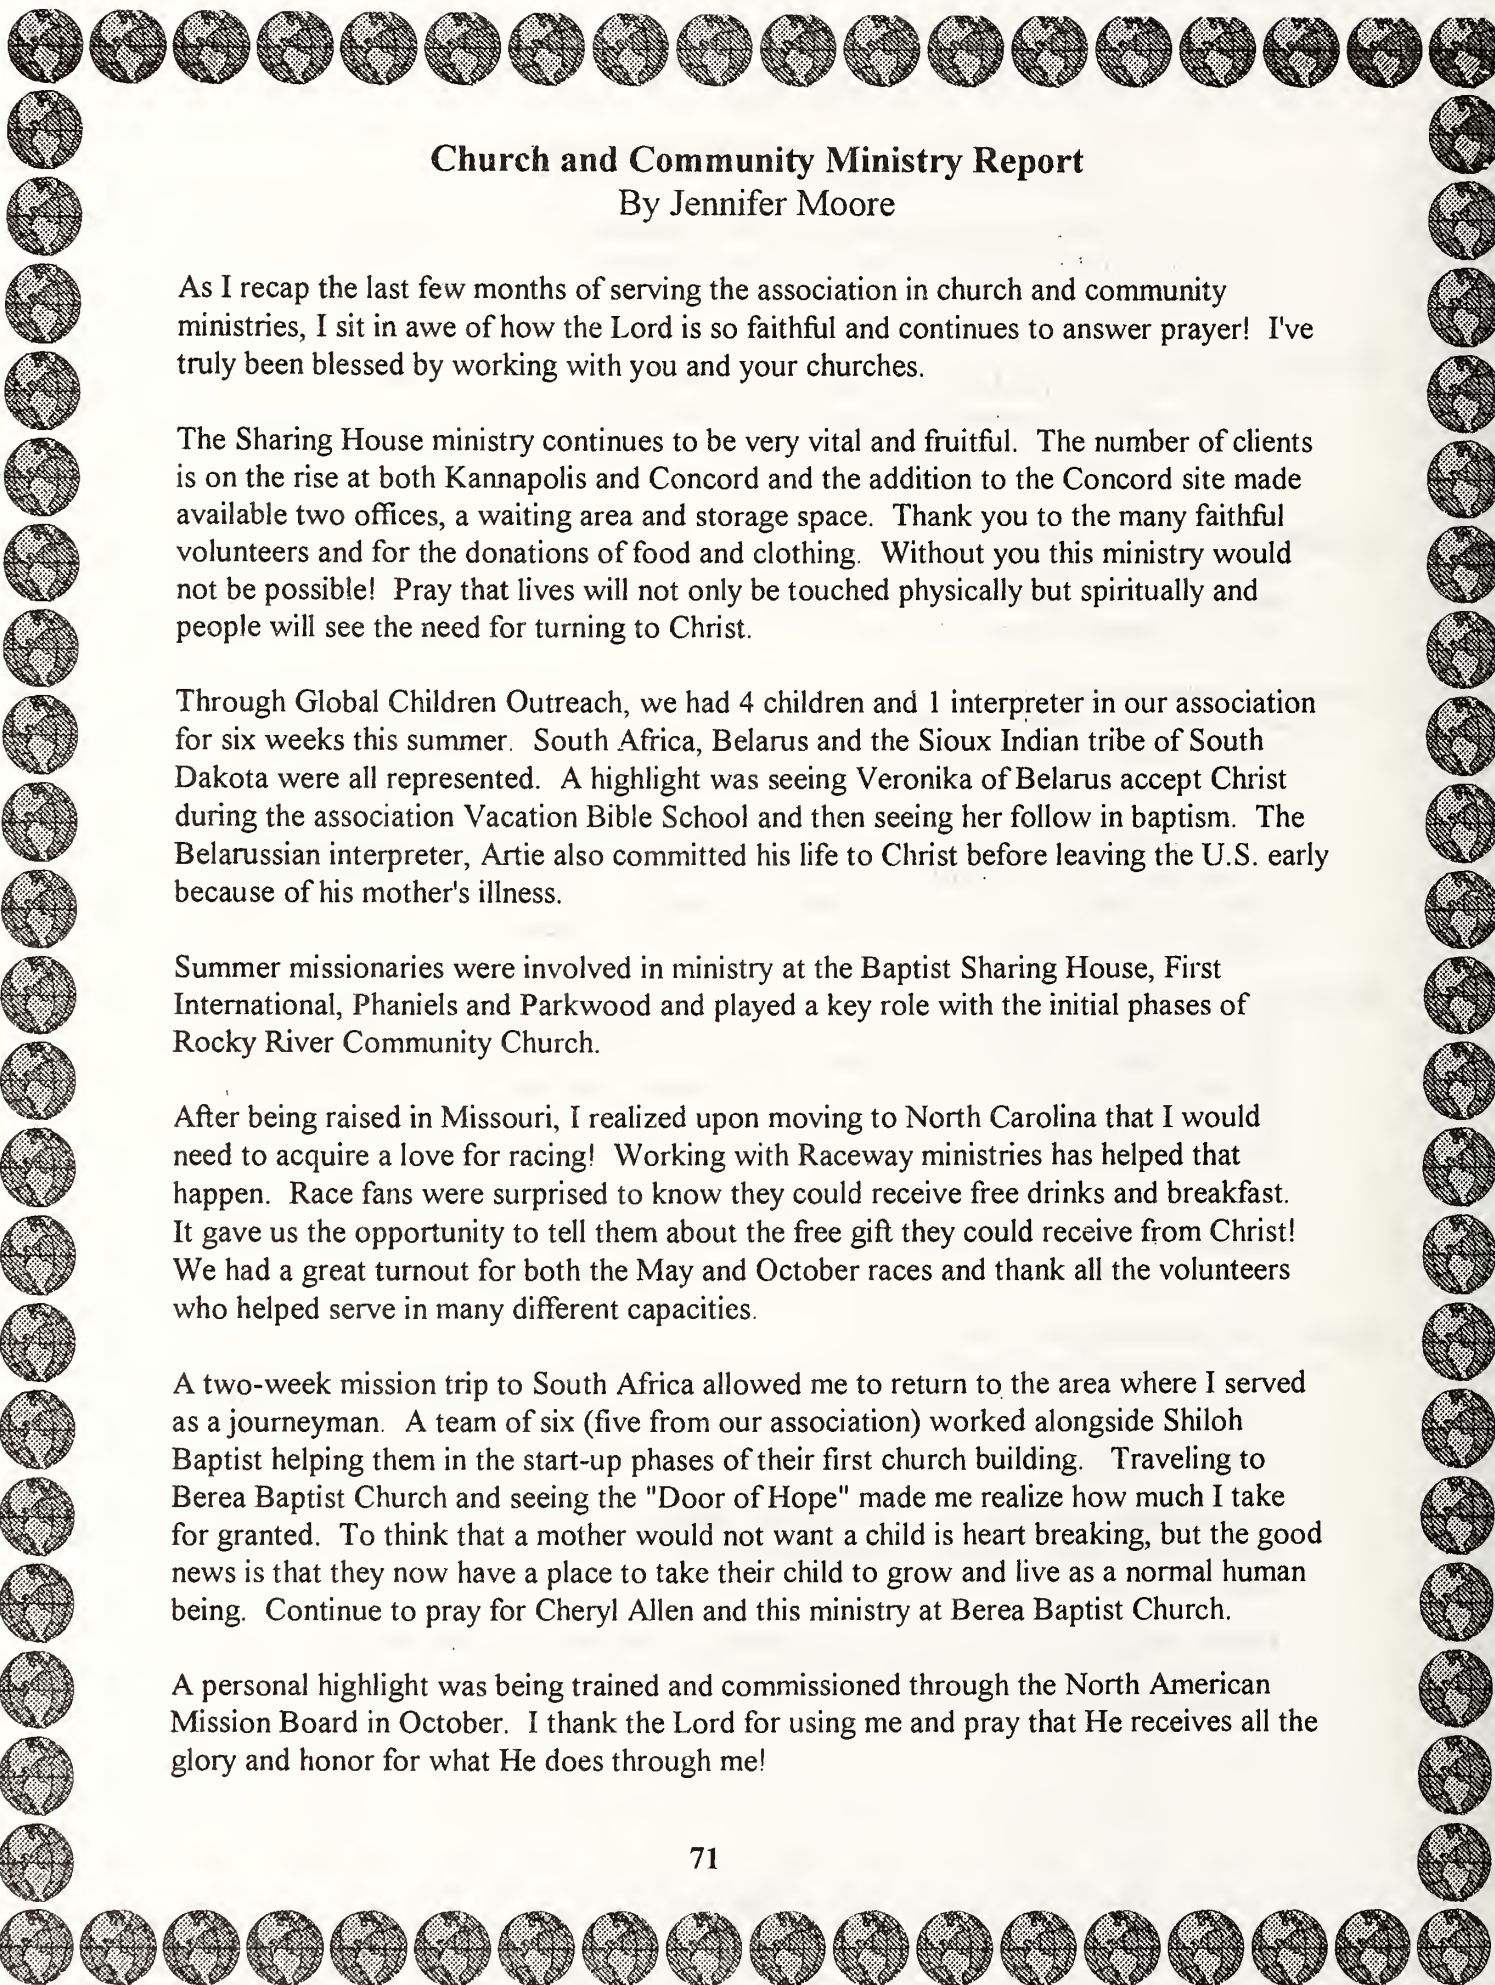

Don is working with our Education Link-ups Council to introduce the new FAITH Sunday School method to our associational churches. I hope you will pray for our leaders as they meet with the Baptist State Convention and Lifeway to design an association approach to the FAITH ministry.

Mission Partnerships Ministry Council

Our mission partnerships continue to grow. There were nine of our local pastors who went to South Africa as part of the 1999 Trans Atlantic Crusades. These pastors experienced the moving of God's Spirit in a very wonderful way. There are twenty-one churches hosting pastors in our association during the month of October. This partnership will continue through the year of 2001.

Our association voted at the last General Board Meeting to begin a new partnership with the Alaska Baptist State Convention. This partnership will start in January 2000. Requests should begin coming in the first of next year.

This has been a good year for the mission churches of the Cabarrus Baptist Association. Our missions are growing and reaching new people with the gospel. Please continue to pray for our mission pastors and their congregations.

Church and Community Ministry Report

By Jennifer Moore

As I recap the last few months of serving the association in church and community ministries, I sit in awe of how the Lord is so faithful and continues to answer prayer! I've truly been blessed by working with you and your churches.

The Sharing House ministry continues to be very vital and fruitful. The number of clients is on the rise at both Kannapolis and Concord and the addition to the Concord site made available two offices, a waiting area and storage space. Thank you to the many faithful volunteers and for the donations of food and clothing. Without you this ministry would not be possible! Pray that lives will not only be touched physically but spiritually and people will see the need for turning to Christ.

Through Global Children Outreach, we had 4 children and 1 interpreter in our association for six weeks this summer. South Africa, Belarus and the Sioux Indian tribe of South Dakota were all represented. A highlight was seeing Veronika of Belarus accept Christ during the association Vacation Bible School and then seeing her follow in baptism. The Belarussian interpreter, Artie also committed his life to Christ before leaving the U.S. early because of his mother's illness.

Summer missionaries were involved in ministry at the Baptist Sharing House, First International, Phaniels and Parkwood and played a key role with the initial phases of Rocky River Community Church.

After being raised in Missouri, I realized upon moving to North Carolina that I would need to acquire a love for racing! Working with Raceway ministries has helped that happen. Race fans were surprised to know they could receive free drinks and breakfast. It gave us the opportunity to tell them about the free gift they could receive from Christ! We had a great turnout for both the May and October races and thank all the volunteers who helped serve in many different capacities.

A two-week mission trip to South Africa allowed me to return to the area where I served as a journeyman. A team of six (five from our association) worked alongside Shiloh Baptist helping them in the start-up phases of their first church building. Traveling to Berea Baptist Church and seeing the "Door of Hope" made me realize how much I take for granted. To think that a mother would not want a child is heart breaking, but the good news is that they now have a place to take their child to grow and live as a normal human being. Continue to pray for Cheryl Allen and this ministry at Berea Baptist Church.

A personal highlight was being trained and commissioned through the North American Mission Board in October. I thank the Lord for using me and pray that He receives all the glory and honor for what He does through me!

Michael C. Blackwell, *President*

Three rocks beside her trailer house warned four-year-old Mamie not to tell anyone of the way her father was abusing her.

If she ever told, her father said, those stones would mark her grave and the graves of her two best friends.

"He had already killed my dog," says Mamie, now 16. "So I believed him."

When authorities discovered Mamie's abuse at the hands of her father, she was taken from him, and he was charged, but released on bond. He came to the house where Mamie was staying to kill the people in the house...and her. But he was subdued. She heard him through the wall threaten her death while she cowered inside.

Mamie's mother, who left the family when Mamie was six weeks old, attended her father's trial, but only "to see if Mamie looked like me." Mamie never saw her.

George and Linda Hogan, believing "every child deserves a childhood," took Mamie in and raised her as their own. They met her while delivering communion elements to her grandmother.

"It's been a struggle, but you do the best you can," said Linda, who suffers with diabetic ulcers. After her 71-year-old husband had a second heart attack, Mamie became too much for the couple to handle.

She lives now at Moody Home, a structured value change home for girls in Franklin, one of 13 facilities operated by Baptist Children's Homes of North Carolina.

Shredding the Safety Net

Mamie pressed the boundaries of love, and George and Linda weren't physically able to pull her back to safety.

"I tried to push the boundaries a little further and a little further, to see how far I could push before they snapped. Finally, they couldn't take it anymore," Mamie said.

Baptist Children's Homes serves families who "can't take it anymore," who have children or grandchildren whose behaviors are out of bounds.

In 1998-99 BCH served 1,646 children and their families through 13 facilities statewide. BCH operates residential campuses in Thomasville, Pembroke, Kinston and Clyde; a maternity home in Asheville; a teen mother/baby home in Lenoir; values change

homes for girls in Franklin and Lenoir; therapeutic camping in Cameron; crisis cottages at the residential campuses and in Waynesville; and model day care in Thomasville.

Beginning with Easter 1999 and continuing through Thanksgiving 2000, BCH instituted a 20-month institutional emphasis of "Quality Service Through Quality Relationships." Michael C. Blackwell, president since 1983, is "committed to keeping our staff and our services fresh and vital to meet ever changing needs."

The emphasis places top priority on relationships to achieve the highest quality of service possible. The QSTQR operating theme will permeate every action, program and effort within the institution and without.

The word "quality" has been overused and under-realized, and it too often cloaks mediocrity with imagined value. There will be no such veneer at BCH.

Building and Renovating

BCH moved ahead its Odum Home campus in Pembroke to meet new challenges April 27, 1999 by dedicating two major campus renovations. Space for 10 boys was added to the old "main" building which was named Luther and Audrey Carter Hall, in honor of the donor couple who left their estate to BCH.

The former house used for a director's residence was renovated to serve five girls in transitional care and named for longtime trustee and supporters Abe and Jackie Elmore.

Total renovations increased capacity at Odum Home from 28 residents to 45. Additionally, 10 day students from Pembroke Middle School will be served at the Winifred Lindsay Education/Administrative Center. These students have issues to resolve that do not require them to be in residential care.

At Cameron Boys Camp May 4, two important staff lodges were dedicated: the A.J. Fletcher Lodge and the Hubert M. Craig Lodge. These lodges provide staff housing, a rare commodity in wilderness setting in which Cameron Boys Camp operates.

"North Carolina's largest family" is grateful to our North Carolina Baptist partners, as together, we help hurting children and heal broken families. To secure our new video about BCH, schedule a speaker or access services call (800) 476-3669.

THE NORTH CAROLINA BAPTIST FOUNDATION, INC. 1998 ANNUAL REPORT

The mission of the North Carolina Baptist Foundation since its inception in 1920 has been to assist the Convention and its institutions and agencies in increasing an awareness among North Carolina Baptists of Christian estate stewardship principles as a means of financially undergirding churches, institutions and mission endeavors on a permanent basis. The uniqueness of the ministries and services provided by the institutions and General Board staff merits increased financial support. The Foundation accomplishes these objectives by offering assistance in estate planning counsel, Will preparation, planned giving, charitable remainder trusts, endowment funds and church fund management.

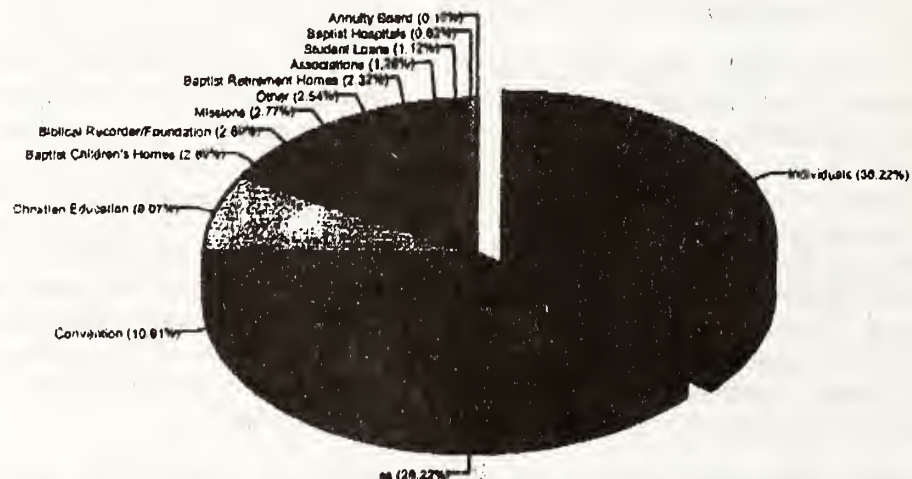

During 1998, the Foundation provided assistance to individuals in establishing 28 endowment funds and 11 charitable remainder trusts totaling \$1.4 million and received \$3.8 million in contributions to existing endowments all of which will ultimately benefit countless Baptist causes on a permanent basis. Programs were provided for 94 churches and associations during the year to promote Make Your Will Month, Christian estate stewardship, and church fund management. Some \$639,000 from churches came under management to enhance numerous church ministries including scholarships, building funds, cemetery funds, benevolence funds, general operating funds and other various mission causes.

The Foundation employs professional money managers to invest these funds according to an investment policy adopted by its Board. Four investment pools are offered: a growth fund, a balanced fund, an income fund and a fixed income fund. During the third quarter of 1998, the Foundation enhanced its position even more by engaging the services of Salomon Smith Barney to help select top money managers in the country.

As of December 31, 1998, the Foundation held \$80,874,628 under management. This is an increase of more than \$8 million over 1997. During 1998, \$1,741,923 was distributed to individuals and \$2,772,599 to Baptist work for a total distribution of \$4,514,522. During the 79-year history of The North Carolina Baptist Foundation, Inc., \$14,217,160 has been distributed to individuals and \$22,305,008 to Baptist churches, institutions and mission causes for a grand historical total of \$36,522,168.

"N.C. Baptists have been involved in Christian higher education literally since the day the Baptist State Convention (BSC) was born," wrote Dr. Jim Royston, Executive Director-Treasurer, Baptist State Convention of North Carolina, for *The Biblical Recorder*.

Dr. Royston's correct. North Carolina Baptists have placed a high priority upon Christian higher education through the years. As a result, a large number of our pastors, staff ministers, and lay-leaders have been educated by one of our Baptist institutions, helping our churches develop as places where the Gospel is treasured and Christ is honored.

Maintaining close ties to our churches and associations is important to our institutions. This is one of the primary missions of the Council on Christian Higher Education. Founded in 1944, the Council seeks to foster good communications between our churches, associations, and institutions of higher education

Divinity schools and centers for congregational growth serve as positive demonstrations of our institutions' desire to enhance the life in our churches and associations. Current and future leaders are being trained through these facilities.

According to the Executive Director of the Council on Christian Higher Education, Dr. Wayne D. Wike, "North Carolina Baptists are fortunate to have administrators and faculty members who are committed to enriching the life of our Convention."

Gifts to the Cooperative Program assist in helping our institutions fulfill their missions. Members from cooperating churches are eligible, as a result, to be considered for scholarships to attend one of our colleges or universities. In addition, North Carolina Baptists who meet the admission requirements for the divinity schools at Campbell and Gardner-Webb Universities are eligible to receive \$8,100 grants toward their theological education. Students who choose to attend another divinity school are eligible to receive \$3,000 toward their educational expenses. All of these are made possible as a result of gifts presented to the Cooperative Program of the Baptist State Convention of North Carolina.

As Dr. Royston wrote, "Baptist colleges are still a priority of our state Convention. It is my hope and dream that more and more students from our churches will attend our schools, and graduate as leaders for our state and nation, as well as for our churches."

Our colleges and universities share Dr. Royston's hope and dream. They, too, believe graduates from our campuses will make a difference in our state, nation, and Convention.

***Biblical Recorder* Associational Report**

July 1, 1999

The *Biblical Recorder* is the official news journal of North Carolina Baptists. The earliest version of the *Recorder* was founded in 1833 by Thomas Meredith, who had also been influential in the birth of the Baptist State Convention in 1830. The *Biblical Recorder* was owned and operated as a private enterprise in support of Baptist work in North Carolina until 1938, when the paper was purchased by the Baptist State Convention and incorporated as an agency of the convention.

A number of able editors have served the *Biblical Recorder*, which is widely acknowledged to be in the top echelon of state Baptist papers. The current editor is Tony W. Cartledge, whose tenure began on January 1, 1999.

The *Biblical Recorder* plays a strategic role in promoting God's kingdom work through North Carolina Baptists. On April 22, 1999, the Board of Directors of the *Biblical Recorder* adopted the following mission statement: ***"Our Mission is to further Christ's kingdom by providing relevant news, insightful opinions and supportive resources to North Carolina Baptists in a timely and accessible fashion."***

The *Biblical Recorder* belongs to all North Carolina Baptists, and appropriately reflects the geographical, ecclesiological, and theological diversity that is typical of the churches making up the Baptist State Convention. The editors and staff of the *Recorder* work diligently to offer a fair and balanced presentation of the news that most affects the life and ministry of North Carolina Baptists. Opinions advanced through editorials, letters, and analytical essays help to spark the thinking of North Carolina Baptists who want to make up their own minds about important issues. Feature stories about notable or innovative activities of churches and associations, regular reports on partnership missions efforts, and weekly commentaries on the most popular Sunday School lessons offer ideas, encouragement, and inspiration to readers of the *Recorder*.

To communicate more effectively and to present the most important news in a more timely fashion, the *Biblical Recorder* has developed a popular presence on the World Wide Web. The *Recorder's* website at <http://www.biblicalrecorder.org> offers Internet users an opportunity to read much of each paper's content several days before printed versions arrive. This is particularly helpful during convention meetings and at other times when frequent updates are desirable. As time and resources allow, additional features will be added to make the website an even more valuable source of information for North Carolina Baptists.

The *Biblical Recorder* works in partnership with the Baptist State Convention, and receives annual support from Cooperative Program gifts as an agency of the Convention. This support makes it possible to offer the *Recorder* at very affordable subscription rates. Currently, the annual rates are:

- ◆ Church News Service (incorporates church newsletter into the *Recorder*) - \$6.36
- ◆ Every Home Plan (20%+ of church families, paid through the church budget) - \$7.42

Report to the Associations

HOSPITAL CARRIES THE TRADITION

In May of 1999, The North Carolina Baptist Hospitals, Incorporated celebrated 76 years of service to the community and the region. During these years the Hospital has been faithful to the vision of the North Carolina Baptist State Convention. When the Hospital was birthed, the Convention stated the reason for doing so was: *to extend the healing ministry which was demonstrated by Jesus Christ*. Many challenges have been faced through these years, but the commitment to compassionately strive for innovative excellence has remained the same.

BAPTIST BENEVOLENT CARE FUND

Baptist churches from all across North Carolina joined us in mutual mission through the Mother's Day Offering. This annual ingathering of love was approved by the Baptist State Convention of North Carolina in 1924. In 1998 the MDO amounted to \$530,874. It was used exclusively to help patients who had little or no health care insurance or no other financial means to pay their hospital bills. From the offering this past year, well over \$200,000 was used to assist members of our Baptist churches in North Carolina. May God bless all those who supported us with prayers and gave so generously.

DIVISION OF PASTORAL CARE

During the year, the Department of Chaplaincy and Pastoral Education provided worship services in Davis Chapel on Monday, Wednesday, Friday and Sunday, as well as services in the J. Paul Sticht Center. Chaplain supervisors, residents and interns made more than 50,000 ministry contacts last year. Seventy-five students graduated from the Department's fully accredited Clinical Pastoral Education program. Maurice Briggs retired from the Department in February after 30 years of service. He was known throughout the Hospital for his pastoral presence and the depth of his sensitivity and care.

The Department of Pastoral Counseling/CareNet, Inc. continues to expand its ministries. There are now 13 Christian counseling centers located in strategic areas from Franklin to Wilmington. During the year these professionally staffed centers will provide over 26,000 hours of Christian counseling.

The Center for Congregational Health, Inc. continues to expand its mission of helping congregations become healthier communities of faith. **Programs and assistance** offered to churches include: Consultation, Intentional Interim Ministry, and Leadership Development. **Resources for ministers** include: Young Leaders Program, Leadership Development Group, Interim Ministry Training, and Intentional Interim Ministry training.

FACTS ABOUT WAKE FOREST UNIVERSITY BAPTIST MEDICAL CENTER

- With more than 11,000 employees, four restaurants, two banks and a post office that handles more mail than some towns, the Medical Center has been called a city-within-a-city. We are the largest employer in Forsyth and Guilford counties.
- The North Carolina Baptist Hospitals, Incorporated has opened *BestHealth*, a community health information center, at Hanes Mall in Winston-Salem. The center will provide a library of books, audio and videotapes, limited Internet access, computer software and a variety of on-site programs to help area residents become better informed about their health and how to remain well.
- Building strong relationships with the community is important to us. A recent survey indicates that Medical Center employees donate more than 30,000 hours of volunteer service a year to more than 300 different organizations in our area.

POINTS OF EMPHASIS AND PROGRESS

Gamma Knife – The North Carolina Baptist Hospitals, Incorporated will have the only one in the state by this fall. Patients with inoperable or inaccessible brain lesions benefit from the availability of this noninvasive procedure that gives the same results as surgery but with no need to open the skull or make an incision. This procedure has been found to be three times more effective in treating recurrent cancerous brain tumors than other radiosurgical tools. The Gamma Knife uses radiation to destroy tumors, vascular malformations and other benign brain lesions with pinpoint accuracy without destroying healthy, normal tissue.

Trauma Center – The Medical Center has the only designated Level I trauma center for northwest North Carolina. In the trauma center our goal is for the patient who needs surgery to be in an operating room 10 minutes after arriving at the Emergency Department. Surgeons, anesthesiologists and staff remain on duty 24 hours a day to handle such emergencies.

NASCAR – The North Carolina Baptist Hospitals, Incorporated is working with Motor Racing Outreach (MRO) to serve the fitness and rehabilitation needs of NASCAR Winston Cup Racing. A mobile fitness and rehabilitation unit is being provided for NASCAR Winston Cup Racing drivers, crews and families.

Ranked Among the Nation's Best – The North Carolina Baptist Hospitals, Incorporated is among the nation's best hospitals in ten of 16 specialties, according to rankings published in the July 1999 issue of *U.S. News & World Report*. These 10 areas are: cancer, cardiology and heart surgery, geriatrics, gynecology, neurology/neurosurgery, orthopaedics, otolaryngology, rheumatology, digestive tract, and urology.

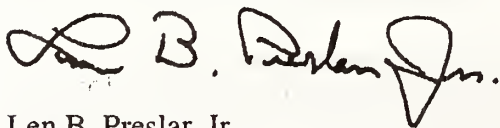

Newest Treatment for Epilepsy – Wake Forest University Baptist Medical Center offers a new treatment for epilepsy - a "pacemaker for the brain" that can help control seizures in patients who are not helped by medication and are ineligible for surgery.

A CLOSING WORD FROM THE PRESIDENT

From the beginning in 1923, The North Carolina Baptist Hospitals, Incorporated has dared to reach and grasp that which others thought was impossible. For many years we have been thought of as a referral hospital where we received the most severe medical cases. Over the years we have become one of the leading research centers in the Southeastern United States. Each role compliments the other. It is a great challenge to innovatively treat these extremely difficult cases and heartwarming to see our compassionate physicians and staff assist in the healing process. People have learned through the years to expect from us the very best in health care. We are committed to make sure that their highest expectations are always met or exceeded.

Respectfully submitted,

Len B. Preslar, Jr.
President

The North Carolina Baptist Hospitals, Incorporated

*"Lord . . . you have made my lot secure. The boundary lines have fallen for me
in pleasant places; surely I have a delightful inheritance."*

- Psalm 15:5-6

Because of your generosity, Psalm 15 can be the testimony of over 500 elderly saints who reside at the Baptist Retirement Homes of North Carolina. Their lot is secure. They live in pleasant places. They have a delightful inheritance.

" . . . You have made my lot secure"

Through Cooperative Program gifts and special offerings, Baptist Retirement Homes is providing \$1.7 million in benevolent care for the elderly poor of North Carolina during 1999.

Additional benevolent funding will provide care at The Gardens at Taylor Glen, a new continuing care retirement community being built in the Concord/Cabarrus County area.

For the growing numbers of individuals and families facing life-changing decisions about care for their aging loved ones, Baptist Elder Care Network offers cost-free information from knowledgeable and caring resource counselors. Regardless of the aging-related issues families face, our statewide system of counselors can provide answers that are reliable and reassuring.

" . . . The boundary lines have fallen for me in pleasant places."

In June, the Fowler Memory Enhanced Residence at the Western North Carolina Baptist Home in Asheville was completed. This new area is designed to meet the needs of the many older adults who experience memory-related conditions, such as Alzheimer's Disease. At the Fowler unit, residents whose perception of reality may change noticeably from day to day find stability in a "home-like" environment. They function more confidently amid the familiarity of a traditionally furnished living room, kitchen, dining room, and bedroom, and they sense peace and serenity as they wander among the flowers, fountains and walking trails of the garden area.

Similar facilities will soon be available at Baptist Retirement Homes' Brookridge Community in Winston-Salem and at the Gardens at Taylor Glen Community in Concord.

" . . . Surely I have a delightful inheritance."

Being part of the Baptist Retirement Homes Family and resting comfortably in its care is a wonderful inheritance. Thank you for helping us make life for our elderly . . . The Best of Times!

7. **REPORTS**

NEW CHURCH STARTS – TOM CABINASS

Mission to assist association in identifying potential places and locations where new church work is need to reach people for Christ as Christian disciples. We want to seek God's will and leadership in determining where he is calling Cabarrus Baptist to plant new churches. Timing for the Midland New Church Starts is different from what we first thought. A seasoned Church Planter accepted the call to this area but Lawrence Stewart has fallen victim to serious health problems. At the present he cannot participate in any active ministry. With sadness and regret he withdrew his commitment to lead this New Church Plant for our Association. At the present time we remain convinced God will do something extraordinary in the Midland area, but we believe God will do this at a different time. We continue to pray God will lead us to the right individual to help us plant this church. We covet your prayers as our brother and sister Baptist in Cabarrus. I challenged you to pray God will raise up the right leader at the right time for Midland. We still have funds available to plant a new congregation. While God has called us to wait and seek him in this opportunity, he has opened another door for us to enter. Our ministry team would like to recommend that Cabarrus Baptist plant a new church in the Rocky River and Robinson Church Road area. This location is near the Cabarrus/Mecklenburg County line, and is the site of tremendous growth in Cabarrus County. We believe God has led us to plant a new work in this place at this time, under the leadership of Rev. Jimmy Britt. Jimmy feels called by God to start a church, and we believe Jimmy is God's chosen leader for this particular ministry endeavor. Funds are available for us to begin this ministry immediately.

Motion made to begin this work immediately. No questions, motion passed.

ENLISTMENT MINISTRY COUNCIL – Robert Leonard

Team leaders were presented at the Fall Bi-Annual Meeting for each council. Report give to each person attending as they entered. One addition, Baptist Sharing House, add Tom Honeycutt.

Motion made to approve Ministry Team Members, others will be presented as the teams are meeting. No questions, motion passed.

CARE GIVING MINISTRY COUNCIL – Robert Leonard

Review all the ministry teams under this council. Mission to seek to provide Ministry opportunities, counsel, and fellowship that will aid our churches, church staff, and individual members in spiritual growth and their walk with the Lord. Goal is to help them better fulfill the ministry of God.

Church Staff Ministry Team has reported the organization of two new support groups. In addition to the church secretary support group that meets quarterly, Music ministry group lead by David Kedrick, and all other staff members, Minister of Education, Minister of Youth, etc. Will be led by Tom Anderson.

Baptist Sharing House Team has met, and continues to be a very vital part of our ministry in Cabarrus County, of meeting the physical and spiritual needs.
